### Kia ora e te whānau

Thank you for your understanding as we implement our rostering home plan for the short term. It would appear that we are getting close to our peak of

cases in Invercargill. We appreciate the communication from parents in regards to your children, we are still reporting to the MOE on a daily basis. There has been continual disruptions to classroom learning over the past month or so but despite this our attendance numbers have hovered just over 80% attendance most days which is about 10% down on usual.

Our hope is that we will move to the Orange Setting from Term 2 which allows us to meet in larger groups and resume assemblies and larger gatherings. We are especially looking forward to our excellence assembly where we can acknowledge our high achieving students from 2021. The settings are due to be announced on April 4 and as always we will keep you informed.

Thank you also to all of the parents who have booked in for our Year 10-13 online interviews next week. While this isn't in person, it is still a good opportunity to talk to the teachers and hear first hand how your children are tracking.

It's been awesome to see all of our winter sports teams starting to take shape with lots of trials and pre-season trainings underway. Also great to see our students achieving recently in cycling, surfing, mountain biking and the Year 7 and 8 triathlon this week. On the Arts and Cultural front, this week our Kapa Haka Rōpū got underway under the tutelage of Matua Tere, auditions for Mamma Mia are underway and we look forward to seeing the final product. I encourage all of our students to get involved in the extra curricular life of our college. It's a great way to compete, meet people, unearth a talent you never knew existed and most of all have some fun.

Lastly to our staff and students who are putting in the hard mahi in the classroom, well done!

### Kia ora koutou

There has been a lot of work taking place at the Junior Campus over the last term. The turf project continues to make progress, there have been some frustrating delays but this will be a fantastic addition to our school when it is completed. Trees have also been cut back at the Junior Campus and this is looking very tidy. The new cricket pitches have been completed at both the Junior and Senior Campus. Al Pannett updated the

board with the plans for the new build, he is working closely with the lead designers. Departments who will be affected by the new build have been providing feedback about what they want to see and priorities for them.

The Board wishes to acknowledge the staff and all of their hard work during this very difficult term. This week the College has had to move to rostering home individual year levels in order to staff the school. We know this creates another set of issues around teachers supervising other classes, providing relief for their own classes as well as ensuring work is accessible and manageable for students who are at home isolating. Staff are also managing their own health and concerns around their families. In the midst of this, staff are doing their very best to ensure all students are provided with an education of superb quality in partnership with the community. It is fantastic to see parent teacher interviews happening, albeit virtually. Thanks to the staff for their commitment to making this happen during these difficult times.

As always, it is fantastic to see JHC students achieving highly in their chosen fields. The dedication, commitment and strategy involved in achieving at the highest level has never been more

challenging. Congratulations to all of those celebrated in this newsletter, and those who have their big events coming up soon.

BOT Chairperson

# PTA AGM Report

Anislie Bruce  
PTA Chairperson

## Chairperson Report 14 March 2022

2021 was another year interrupted by Covid however we were still able to meet in person for all but one of our meetings throughout the year.

Despite the inconvenience of Covid, it has been another busy year of funding various activities/events across both Junior and Senior campuses. Some of these include:

- Water, juice and mints for staff during the Parents/Teachers Interviews
- Support staff morning tea shout
- Guidance counsellors' morning tea shout
- Operating BBQ at Open Day at Junior Campus
- Prizegiving – Senior and Junior
- Year 13 Breakfast
- Scorer/clock – Junior Campus
- Junior Campus Leaders Conference

I would like to express my sincere gratitude to Lynsey Stratford, our Secretary for her fabulous work over the past year, your efficiency has been very much appreciated by me. Also, I would like to thank Sarah Warren, our Treasurer for her fabulous work over the past year, Sarah has diligently ensured all the tasks associated with this role have been completed in a very timely manner.

I would like to thank Mike Newell, Anna McDowall, Jocelyn Auld, Jenny Elder, Jeanette Chilton-Smith, Kristine Simpson, Kimberly Gray, Leana Breen and Angela Potter along with all the other staff who have put their hand up to help ensure the PTA is able to run smoothly and assist us in what we do for our school community. I would also like to thank

Karina Toms for her motivational emails throughout the year reminding me of the newsletter deadlines. Your friendliness and willingness to assist whenever you can has been very much appreciated.

Finally, but definitely not least of all, thank you to everyone on the PTA Committee who has so willingly assisted throughout the year. This PTA would not be able to do what it does without each and every one of you. It has been a fantastic opportunity for me to meet both staff and parents that I may not have had contact with otherwise and to get to know you a little bit better.

Thank you to everyone for your mahi during 2021 and I look forward to 2022 being another fabulous year of working together.

# Year 10-13 Parent Teacher Interviews

Year 10- 13 Parent Teacher Interviews are happening virtually on:

Wednesday 6 April  
from 3 - 7.30pm.

Bookings are now open  
and the code is **vkysb**

We would encourage you to make bookings to connect with your child's teachers. While the virtual format is different, we had very positive feedback following our Year 9 Interviews. Parents commented:

- "This was such a great way to conduct interviews. Felt really connected and not awkward at all"
- "I thought that it was going to be really daunting to do it online but it wasn't"
- "I found it just as easy as in person. I could ask the questions I wanted to and received good response."

You can make bookings by going to [www.schoolinterviews.co.nz](http://www.schoolinterviews.co.nz) and entering the event code **vkysb**. You can view, change or cancel your bookings at any time. You will receive an e-mail confirming your bookings. This e-mail will include the link to join the video conference with each teacher. You will just need to click on this link at the booking time and the teacher will let you into the conference.

The interviews are 7 minutes long and teachers may have to end your interview to keep to the schedule. Please try to join at the exact time of your booking. If you can, avoid booking back to back appointments.

We look forward to meeting you (virtually) next week.

## Staff News

### **Caroline Raynes**

We are delighted to announce the appointment of Caroline Raynes to our Associate Principal role at the Senior Campus effective from the start of Term 2, 2022. As an alumni of James Hargest High School, Caroline returned to teach at James Hargest College as a beginning teacher of Health and Physical Education, at

the start of 2005. Since then she has been absolutely dedicated to our school and has been an avid supporter and follower of so many students being especially interested in their sports but also supporting cultural events.

As a student she was a highly competitive volleyball player and continued following her passion as a coach, manager, player and administrator after her return to Hargest. She is now an accomplished runner and endurance athlete.

Caroline has held many significant portfolios over the years including Dean, Head of House (Watson), Year 9 and 10 camp organiser and relief coordinator. She is the current elected Staff Representative on the BOT and has been involved in many high stake decisions in this governance role. These have placed her well for the challenges of the Associate Principal.

Her new role will have a significant range of responsibilities including day to day organisation and operation of the Senior Campus, the Attendance system, oversight of the Pastoral Care, Deans, House System and Guidance Department as well as Staff Professional Development. She is also a keen supporter of tikanga Maori and will be a key contact person for whānau.

Caroline will bring enormous vitality, energy and enthusiasm to the role. She is highly organised and has an enormous work ethic. Caroline has a calm, poised and dignified manner in connecting with students, caregivers/whānau and staff.

We welcome her to our leadership team knowing she will bring significant skills and will contribute to the future direction of our school. We wish Caroline well in her journey ahead.

### **Valerie Gutsell**

Next term we will welcome Valerie Gutsell back from a one term study sabbatical. Valerie has been working on a Statistics Scholarship programme and we are excited to welcome her back and engage with all that she has learned.

### **Evan France**

Next term Evan France is taking a one term study sabbatical. We wish him all the very best on his travels!

### **Connor Page**

Connor has been appointed Head of House for Watson House. We look forward to the energy and enthusiasm he will bring to this role.

## Inaugural Southland Regional Debating Competition

This zoom competition was held on Saturday and Sunday, March 5 and March 6. In past years we have travelled to Dunedin to be part of their region but thanks to the enthusiasm of past JHC student debaters, Liam Barnes and Donald McIntosh, we now have a region of our own and a great deal more resources available for our talented debaters.

We entered three strong teams and when two were in the semi finals, we were hopeful of a victory but when it was an all JHC final, we were assured of this. JHC1, Alice McIntosh, Ashley Phillips and Sophia Kwong, all Year 13, were the victors on a two to one judges' split decision. JHC2 consisted of Roland Cameron, Sewmi Dissanayaka and Ben Scott, Year 11 and 12 students. Best Speaker of the tournament was Alice McIntosh.

The Southland team which will attend the Nationals in Wellington later this year was named and it includes Roland Cameron and Alice McIntosh with Sewmi Dissanayaka and Ashley Phillips as reserves. The Southland Development Squad includes Ben Elder, Ben Scott and Sophia Kwong along with students from other secondary schools in Southland.

## Scholarship English

Scholarship English is underway for 2022. This year students will engage in a mixture of ways through involvement in our Scholarship Bookclub, In-Class sessions, Independent work, and Film Society which will all support the students towards their goals or the Scholarship English Exam. This gives students a large degree of flexibility in catering Scholarship English to their needs and interests. It isn't too late to sign up and join us - email Miss Pickering (epickering@jameshargest.school.nz) or join the Google Classroom: hmtf7tt

## Student Vehicles

Students' vehicle use must now be registered with the school.

We are frequently required to locate a vehicles user for a number of reasons including;

- Lights being left on
- Damaged caused by another user
- Poor use or complaints
- Safety concerns

Please act on this request urgently.

Our database will be updated annually and only used for the above purposes.

Registration will happen in form times and be directed by Form Teachers through a KAMAR survey.

See your form teacher if you missed the opportunity.

## Youth Council

Hi all, at the beginning of the school year, I was selected to represent James Hargest in the Invercargill City Youth Council to provide a JHC student voice. Although only two meetings have been held so far, I'm settling in well with my fellow peers at these meetings. We have discussed member's responsibilities, what it means to be a member and the purpose of the Youth Council. There have already been several guest speakers and various issues presented. This included an insight into an up-and-coming speed review across Southland's roads, a discussion with a UN Youth member and a meeting with a representative of Active Southland. These were all excellent chances that allow those of us, who represent the youth of Invercargill, to have an

understanding and engagement in the decision-making process the members of the council are involved in.

The Youth Council aims to increase the council's perception of young people's perspective on issues faced, whilst allowing input, ideas and solutions to various issues. I am proud to represent James Hargest in these matters.

## Year 9 Social Studies

Year 9 Social Studies classes tackled Breakout boxes based on The Dr. Seuss book 'Oh the places you'll go'. The students worked together to solve puzzles and unlock locks to open the prize box.

## Japanese

Some of the Year 9 students of Japanese had the opportunity to dress-up in traditional festival clothing recently.

## Environment Group

### Planting the Waihopai

The JHC Environment Group planted NZ natives grown at the Southland Community Nursery and plants that they had propagated themselves at home and school - a great contribution to the Waihōpai Restoration Project area. Hot weather slowed down the digging (it was dry and hard) and led to lots of discussion on conditions and what is needed for plants to live and grow in. There was identification and selection of appropriate plants, learning what a NZ native is and how riparian planting can enhance an area, and discussion on what ecosourcing means. We planted tī kōuka (cabbage tree), harakeke (flax), kōwhai, ribbonwood, broadleaf, karamū, Pittosporum species, Koromiko (Hebe) and mingimingi. A great project working alongside Environment Southland continuing this wonderful restoration project for the wider Southland community.

The International Friendship Club is a group that not only supports International students, migrants and former refugees but also aims to develop JHC students' awareness of the different cultures in our school.

This term the group has already started the reading support system on Tuesdays and Thursdays during SSR. We also plan to do a quiz and an Easter egg hunt in the remaining weeks.

## Duke of Edinburgh Training Camp

A group of keen Bronze students attended an action-packed training camp at Riverton. The purpose of the camp is to provide the preparatory training for the Adventurous Journey section of the Award. The camp was filled with tramping, first aid, compass use, camp craft and fun.

Thank you to Miss Thomas, Mr Dymond, Mr Wilson, Brianna Loan and Maya Oppikofer for your assistance and guidance throughout the day. We look forward to our next adventure.

## Mission Statement

**Our Mission is to equip all our students to create the best possible future for themselves and their world.**

## Vision

### Tirohanga

**Our vision is to foster healthy all-round development and personal success in an environment informed by the principles of manaakitanga.**

**This means helping young people build their personal identity and hauora in a context of strong communal values (The Hargest Way).**

**It involves encouraging participation, connectedness and whanaungatanga through a range of service, cultural, sporting and leadership opportunities.**

**Personal success is fostered by a strong academic focus and the pursuit of excellence in its broadest sense, through responsive, supportive programmes and staff working on the principles of ako.**

**We aspire to provide education of superb quality, in partnership with our wider community.**

The James Hargest College 100 Club is designed to celebrate the highest academic success. Students need to earn the required Excellence credits in

one calendar year and achieve almost all, if not all of the credits on offer at Excellence level. This is a superb achievement and the students who

achieved this magnificent honour should be very proud of their outstanding work across the curriculum. We will celebrate them formally in an assembly next term.

## JHC LEO Club

LEO Club is up and running for 2022. Our new leadership group are regularly meeting to decide what will be the key areas to work in in 2022. The committees are all dedicated to serving our community and beyond.

## World Vision

*Pictured left: World Vision Bake Sale*

James Hargest College is committed to raising funds for the 40 hour famine. This year the famine is July 1 - 3. It is our habit to fundraise before the event as well as on that weekend. With Covid impacting our community at the moment, we are looking to raise money in different ways. In particular, we are keen to raffle items that appeal to our students.

**If you are able to donate any new items we would be very grateful to hear from you. Please email Mrs Craig on [ncraig@jamesharges.school.nz](mailto:ncraig@jamesharges.school.nz)**

Recently Charly Faherty took part in an online version of the World Vision Leadership Summit. She was one of

thirty students selected from around New Zealand to do so. Hargest has a proud tradition of making a difference in the world via the Famine and the offer of a place on this Summit was a recognition of our efforts over the years which total more than \$150,000.00.

Form classes will hear more details of how to be involved in the Famine nearer the time. Food, devices, furniture and more are on offer for students to do without for 40 hours. Alternatively you can select an activity to do that echoes 40. For example, walk or bike 40 kms. Parent supervision is required for your child as they participate. Students will create their own Famine page and all donations are online direct to World Vision via this page.

## Deep Cove Camp

Deep Cove is a camp where all year 8 students have an opportunity to learn new things and also to meet new people. You get to do activities that other people don't have the chance to do: like seeing lots of cool views and waterfalls. We did four walks - Hanging Valley, Brassel Point, Old Doubtful and Helena Falls. In most of our spare time we went out fishing on the wharf and some people went out on the dingy. During fishing we caught lots of fish and some people even caught their very first fish! As part of camp we were expected to take part in keeping

the hostel clean and tidy by doing duties like preparing meals, doing dishes, setting up the dining room and keeping our dorm rooms clean. We got to meet Billy, the camp manager and Marky from Real Journeys who talked to us about glow worms (glow maggots), including taking us for a walk to see them. Without all of the helpers, we wouldn't have been able to experience the things that we did.

## Science

### Junior Campus

The Year 8's have been using Minecraft Education. The students had a lot of fun designing their own insects and carrying out individual investigations around cooking potatoes.

## Bebras Computing Challenge

The Bebras Computing Challenge 2022 took place on 23rd March this year. The Challenge introduces computational thinking (i.e. thinking like a computer) to students. The challenge identifies how well students' skills are developed in computational thinking. It is organised in over 30 countries and designed to get students all over the world excited about computing. Each participant gets 45 minutes to answer a set of multiple-choice questions that focus on computational and logical thinking. There were 15 James Hargest College Senior Campus students who completed the challenge for 2022 online this term. The results:

Cadets category (Year 9/10) - **Merits** were awarded to **Jonathan Ciju, Sebastian Gray** and **Tristian Toms**. A **Distinction** was awarded to **Olivia Scarlett**.

Seniors category (Year 12/13) - **Merits** were awarded to **Michael Clinckett, Declan Crombie, Sophia Kwong, Danny Richardson** and **Eulalia Terra Teodoro**.

Congratulations to the other participants: Zafir Terra Teodoro, Savindu Konthasingha Acharige, Jess Page, Saranya Sarisa, Sanithu Nakandala, and Adriana Cleghorn.

## Minecraft Mob

Survival Multiplayer is one of the game modes in Minecraft Education. Players must collect resources, build structures, battle mobs, eat, and explore the world in an effort to survive against each other. Each Friday at lunchtime, players join Mrs Greeff's server in the hope to survive the session without being eliminated. This year this challenge has enticed new students from Year 9 in the epic battle. It has been amazing seeing the comradery and teams formed to help one another survive the ever changing world.

## Primary Industries

Year 12 students have been learning about the safe riding of a quad bike. The tutor, Allan Gorton explained the theory of quad bike handling and the inherent risks associated with this type of vehicle. Then the students spent the rest of the day actively riding the quad bike. They gained a better understanding of how to use their body position to turn safely, ride along and up and down slopes and back a trailer. The training is to prepare students prior to going out on a farm for their work experience. A fun way to learn!

For Term One, the Y12 Outdoor Recreation class focuses on kayaking. So far, the class has been to the pool, Iron Bridge and Bluff to learn new skills and build up their confidence on the water. One of their goals is to learn to roll and it's exciting to see some of them have mastered this already. We finish off the unit at the end of this term with an overnight trip to Mavora Lakes to paddle on the lake and down the river.

## Outdoor Recreation Year 12

## Managing Learning Through Extended Absence

In the current environment, we know that a number of students are needing to stay away from school for a week or two at a time. For senior students in particular, this absence can have a significant impact on their progress if plans are not made to keep in touch with the learning that their classes are doing while they are away. It is unrealistic to expect teachers to delay the classroom teaching to help students who have been away for a week when they return having made no effort to keep in touch.

Over the past two years, staff have developed skills in teaching remotely and are in general making many of their learning material available virtually.

What you can do:

- Email your teacher when you know you will need to stay away and let them know your situation. Are you sick or are you isolating?
- Check Google Classroom for each of your classes to see what learning has occurred.
- Have a go at any activities that the class has been doing if you have the available resources.
- Submit any activities you can for feedback.
- When you are back in circulation, arrange a time outside of class with your teacher to go over any work you don't understand or attend the Study Centre (Tuesday after school in the Library).

These strategies can also be applied to students who are away from school for other reasons, such as sports tournaments.

## Media Studies

*The Year 11 Media Studies students have been creating short stop-motion films using plasticine characters to show their knowledge of cinematography terms. Their genre was completely random and they had to show five camera shots, three camera movements, three camera angles and two sound techniques in their finished work.*

## School Council

Voting for the Student Council took place in March. The role of the Student Council is to help make the school a better place to learn, work on community based projects and to encourage and develop activities to the continued development of school spirit. Class representatives have a varied role including bringing any ideas, interests and concerns of their classmates to meetings, reporting back to their form classes any issues discussed at meetings and providing volunteer service during school events, just to name a few.

Congratulations to all successful candidates.

## House Competitions

### Disc Golf

Our inaugural Disc Golf house competition kicked off in early March. Run as a drop in event at intervals and lunchtimes, the numbers grew and grew as the week progressed. The last day of round play saw over 150 students and at least 10 staff out showing their mettle on the course. The top 20 battled it out in the final with house pride on the line. Congratulations to Roman Eason (Thomson) who took out the boy's win with a scorecard of 19, and Caitlin Hartley (Menzies) for the girls with 24. Ka mau te wehi to the 400+ participants during the week. A special mention to teachers Gareth Ashton and Aimee Marshall for their outstanding rounds too. Participation results saw Menzies come out on top, followed by Hamilton, Thomson and then Watson.

### House Chant Design

The Design a Chant Competition was held recently. Congratulations to the following students for having their entries chosen as their House's chant for 2022.

Thomson 2nd

Watson 3rd

Hamilton 4th

## SBS Bank Academy Southland Programme

Congratulations to the 5 JHC athletes who have been selected for the foundation year programme in the SBS Bank Academy Southland Programme. The programme supports athletes to reach their full potential with training in mental skills, strength and conditioning, nutrition, and athlete life. Athletes are selected from nominations of mainly Year 12 and 13 students with the potential to represent Southland and New Zealand on the national and international stage.

"We are really excited about the range of sports we will have in the programme this year," SBS Bank Academy Southland coordinator Carly Anderson said. "This means athletes get a great chance to learn from others who are all striving to be their best in their chosen sport."

12 students from across the province have been selected including 5 from JHC:

Marshall Erwood – Cycling

Levi Stout – Disc Golf

Matthew Speight – Swimming

William Robertson – Athletics

Halle Faherty – Tennis

## BMX Success!

Nick Cowie competes in two classes of BMX, Cruiser which has 24 inch wheels and a 20 inch class. The 20' class is the same as they run at the Olympics; the cruiser is an additional class they can do as a challenge rider.

In January he competed in the South Island Champs at Cromwell where a number of the top riders nationally were there from his age group. He came first in both of his classes.

This month he competed in Hamilton at the BMX NZ National titles – he again raced both classes. Nick earned NZ 2 (2nd) in cruiser 15-16 years and NZ 2 (2nd) in 20" 15 boys which is a very competitive group; the top two including Nick, were both faster than the top 16 boy.

## Target Shooting NZ North vs South

Max Russell travelled up to Christchurch at the weekend as a member of the South Island Junior Small Bore Target Shooting Team for a match against the North Island team. This was to be held at the end of the 2021 season, however due to covid it was postponed until March 2022. Selection for the South Island team is based on the season's scores. Max was originally a non-traveling reserve, but got the call up to go. It was a little different this year. Usually both teams shoot shoulder to shoulder. This year the North Island teams shot in Palmerston North and the South Island teams shot in Christchurch. There were 5 matches, juniors, mens, women, open and veterans. The South Island Junior team beat the North Island team winning by 3 points.

Max achieved outstanding results last shooting season. Along with circuit wins and placings, he was the captain of the Southland Junior team against Otago, won the Southland C Grade Champs, was the top scoring Junior Aggregate Circuit Champion and named Top Southland Junior. # Track Cycling

## National Championships

Congratulations to JHC cyclists who were phenomenal at the recent National Track Cycling Championships in Cambridge.

Their performances on and off the track are testament to their families and grounding.

The following riders competed and gained results:

Zadie Scott	Bronze in U17 Girls' Madison
George Manson	Gold in U17 Boy's Team Sprint - New Zealand Record Time, Silver in U17 Boys' 500TT
Kayne Borrie	Bronze in U17 Boys' Team Pursuit
Finn Edwards	Bronze in U17 Boys' Team Pursuit
Ruby Bath	Bronze in U19 Womens' Team Pursuit
Ronan Shearing	Gold in U19 Mens' Keirin, Silver in U19 Men's Team Sprint
Marshall Erwood	Silver in U19 Mens' Team Sprint
Charles Tinoai	Silver in U19 Mens' Team Sprint
Riley Faulkner	Gold in the U17 Girls' Team Sprint (new National Competition record time)
Charles Tinoai	A Final, U19 Mens' Keirin

Scott Henderson and Conrad Clark B Final, U19 Mens' Keirin

We are very proud of all of our cyclists who gained personal bests and raced very well.

In March 2021 George Manson in his first year in the U17 age group with Marshall Erwood gained the NZ record in the two man Under17 grade 'team sprint' at 34.452.

While coming 4th in the event in 2022, Finn Edwards and his team mate broke the national record in the team sprint, and then in the final George and his teammate broke the record again, riding in 33.885 in the final race of the Championships. What makes it even more satisfying for George is that he had a serious high speed crash at training only three weeks prior to the event and the team from Southland were not even sure if he was going to be able to ride.

New Zealand Records are the "fastest time set by a New Zealander anywhere in the world". Whakamiharo Cyclists!

## The Physical Activity Leadership Course

Our Head Students, House Captains and Peer Support leaders were given the opportunity to participate in the PALs course held at Stadium Southland last week. The Physical Activity Leadership course (PALs) is run by Fiona Ward from Sport Southland, and is designed to give Year 13 students greater confidence with leading other students in sports, games, physical activities and camps. The training involved an hour of discussion and theory based work, then an hour of practical work putting the student's ideas to the test. Groups were given a brief to design and implement a new game or sport, taking into consideration safety, rules, refereeing, instruction and practicalities of their game. The skills and strategies learnt will be implemented in future school activities with students in form classes and at break times. This was a highly valuable and enjoyable experience for all who were involved.

## Southland Scholastics Schools Surfing Competition

## Beach Volleyball

The second year of Beach Volleyball is now finished for Term One. This season JHC had six teams entered into the competition. We had a range of competitive and social teams across Yr 9 to 13. The weather treated us well and teams represented the school brilliantly with their positive attitude and approach to both playing games and showing up for duty. During Term One three teams made the finals and JHC won the Competitive Pairs Final (Darika Abeysinghe and Lucy Archer). There will be another opportunity later in the year for other students who may be interested in playing beach volleyball for the school.

## Kayak Trip

A group of JHC students had a day trip to Mavora to work on their kayaking skills. Usually Paddles Up takes place around this time but due to COVID-19, it was cancelled this year. Mr Burrows, Phil and Caleb shared their knowledge and assisted in helping the group develop and gain more confidence on the river.

## Artistic Swimming

Congratulations to 'Onevai Pita and Xiara Patino (pictured above, from left to right) who have been selected for the National Senior Artistic Swimming Team. They recently attended a training camp in Hamilton in preparation for the World Championships to be held later in the year in Hungary. At the moment the girls are training six times per week and will have another training camp with the whole team in April. In the last training camp they made a lot of progress with their routine, fitness and team dynamic and they are looking forward to the next one in the holidays.

## Swimming

### South Island Championships

Congratulations to Amelia Black, Liam Devery and Matthew Speight (pictured left, from left) who all had significant success and won medals at the recent South Island Swimming championships. Matthew won gold in the 400 freestyle, 400IM and 1500 freestyle in the 15-16 year old age group and won gold overall for the 400 and 1500 freestyle. Liam placed 2nd in the 50 meter breaststroke and 3rd in the 100 meter breaststroke and placed 4th in 4 other events. Amelia won four medals in freestyle events. These achievements are earned by a mixture of hard work, perseverance and dedication. Ka mau te wehi!

## Rowing

Left: Caitlin Whitaker competed in the U17 Single at the SISS Regatta.

Above: Ella Norman, Hannah Tufui, Holly Keary, Maria Simpson and Sophie Cundall (cox) in the U15 Quad.

Recently nine JHC students attended South Island Secondary Schools Rowing Champs on Lake Ruataniwha in Twizel. This is a significant event attended by a couple of thousand rowers. Three boys represented JHC - U16 (Nick Todd), U17 (Declan Crombie) and U18 (Eamonn Thwaites). A crew of five U15 novice girls; Ella Norman, Maria Simpson, Hannah Tufui, Holly Keary and Sophie Cundall (Coxin), as well as U17 (Caitlin Whitaker). Overall we were pretty stoked with the level of achievement, all the rowers making it into A or B finals in one or more of their races, with some placing in these finals, like Nick Todd in his U16 B final (1st place). The weather overall was decent meaning we made it through the whole schedule, but it didn't go uninterrupted with a scare that the

entire thing would be cancelled by Saturday afternoon due to weather conditions. Some races were shortened, but luckily the conditions cleared up and we finished the whole regatta. Rowing New Zealand have been working extra hard during these times to make the safest possible conditions for us. We are each allocated a zone to stay in and load boats, every zone has 100 or less people in it to conform to covid restrictions; lanyards and wristbands were required to enter these zones. Although the regattas running at the moment don't have the same atmosphere as pre-COVID, we appreciate how we are and that we still have the opportunity to attend these events.

## Athletics Success

Congratulations to William Robertson, a huge jump of 12.56 m earned him a bronze medal in the NZ Under 18 Triple Jump. He also achieved 5th place in the long Jump with a massive 6.32m. Fantastic achievements and testament to his hard work. Tino pai rawa atu William!

## Southland Primary Schools Swimming Championships

Congratulations to our swimmers that competed at the Southland Primary Schools Swimming Championships on Sunday 13 March. Some great individual performances.

Special mention to the following:

- Olivia Johnson - 1st 50 Back, 50 Breast, 50 Fly and 2nd in 50 Free.
- Elsie Turrell - 1st 50 Free, 2nd 50 Breast, 50 Back and 50 Fly.
- Isaac Elder - 1st 50 Free, 50 Breast and 2nd 50 Fly and 50 Back

Our swimmers of Olivia Johnson, Nathanael James, Elsie Turrell and Isaac Elder won the 100m Freestyle and 100m Medley relays. Caelan Tatkovic, Ruby Kite, Allie De Clifford and Rhiannon Jensen were second in the 100m Medley Relay.

A colorful cartoon-style poster for Waihopai AFC. It features a young boy in a red shirt and blue shorts, jumping to head a soccer ball. The text 'Waihopai AFC' is in a blue circle. Below it, 'GET OUT &amp; GET IN THE GAME' is written in large, bold, red and blue letters. At the bottom, it says 'Waihopai AFC' in blue. To the right, it lists 'Junior Football Training' on 'Thursday 6pm - Surrey Park Grandstand'. Below that, it lists 'First kicks: 5-6 years', 'Fun football: 7-8 years', and 'Junior football: 9-15 years'. At the bottom right, it provides contact information: 'Web: www.sporty.co.nz/waihopaiafc', 'Facebook: facebook.com/waihopaiafc/', 'Email: waihopaiafc.junior@gmail.com', and 'Phone: Waric 021 442784, Gordon 027 226 3634'.

# Otago/Southland Mountain Bike Cross Country

Congratulations to Lily Keast who won a silver medal in her age group.

# Golf

A foggy start at the Southland Secondary School Golf Championships held on the Winton Golf course. Winners of the non-golfers competition Caleb Devery, Maisy McDonald, Katie Oliver, Flynn Elder.

# Triathlon

Congratulations to our two teams that won the teams event in the Halfmoon Bay Triathlon at Stewart Island. Girls team: Ruby Kite, Lily Keast and Sophie Meijer Boys team: Isaac Elder, Blake Cooper and Will Brown. The boys team had the fastest time of the day. Special thanks to Halfmoon Bay for hosting and organizing the triathlon and giving our students this amazing opportunity. Thank you also to Real NZ for transporting our students for free.

## Year 7 Vision Testing

The Vision Technicians visit the Junior Campus to undertake vision screening for all Year 7 students. Your child will not be screened if they are under the care of a Specialist and/or Optometrist. Parents/caregivers will be notified if further assessment is required by an Optometrist. If you do NOT wish your child to be screened, please notify the school. Some Year 8 students who were absent in Year 7, or who require retesting, may also be seen by the Vision Technicians.

## Student Safety

### Junior Campus

Students may not be on the school grounds before 8.20 am, unless attending Before School Maths. This is a safety issue as supervision is not available prior to 8.20am. We also do not have supervision available after school, so unless your child has an afterschool activity within the school, please ensure they are collected by 3.30.

Students are not to use the staff car park on Layard Street as a walkway area and parents are not to use this as a drive through to drop or pick up children before or after school, again this is for safety.

## Before and After School Safety

### Junior Campus

As winter approaches we ask parents to be mindful of their children who travel to and from school by foot and by bike, scooter etc. It is beginning to get dark earlier, so students need to ensure they are visible and travelling in well-lit areas, e.g. NOT on the Waihopai walkway after dark.

Reflector tape is available for sale in the Fabrics Room and can be sewn onto the back of a jacket or school bag to enhance visibility on dark winter mornings.

Suggestions are that students always travel with a buddy and that jackets/bags have fluorescence on them.

Bikes must have white/red lights.

## Winter Uniform Update

**A reminder about the correct wearing of James Hargest College uniform for the winter season.**

- Kilts or A-line skirts may be worn throughout the year at both the Junior and Senior Campus. Skirts must be of a reasonable length, neither very short nor longer than mid-calf. Long pants are available as an alternative for the winter skirt/kilt.
- Undergarment may be a plain **white** t-shirt, merino or polyprop worn under the uniform tops for extra warmth (should not be visible below blouse/shirt hems or sleeves). Blazers may be worn at both the Junior and Senior Campus.
- Scarves and beanies are optional but must be the school standard cardinal red with gold stripe. School beanies are available on the Kooga website (Kooga.co.nz).
- Black or other coloured scarves are not to be worn. Gloves may be black.
- Any **plain black** weatherproof jacket (not cotton) may be worn to and from school. We now have the new Kooga school jackets available to order from the Kooga website along with the school hoodies. The jackets may be worn at any time. The school hoodies are only to be worn with the PE uniform, not with the formal uniform.

## Donations for Fabrics

Mrs Rodger would love some donations of supplies to keep her Fabrics room stocked. She is looking for any two hole buttons, cotton fabric and denim jeans you may have spare. Please drop at the Junior Campus Office.
