Kia ora e te whānau

It was great to see all of our students back this week. On my walk around the Junior Campus classrooms on Thursday it was heartening to see all of the students busy and engaged in their work. A special welcome to our new families to the Hargest community. I would like to thank parents for your assistance in preparing your students for the school year, particularly

From the Boardroom

Chris O'Connor
BOT Chairperson

Tena koutou katoa,

Welcome to the 2022 school year. Already, the differences this year are obvious with mask wearing and the rules around gatherings. We would like to thank Mike for his clear communication around the mandate and what that means for James Hargest College. We are dealing with a difficult situation and we will ensure our school is always following the directives and most up to date advice to keep everyone safe.

There have been exciting developments on the building front over the holidays. The new

with masks. While these will take some getting used to, it is clear our students understand the collective responsibility we have to each other.

Congratulations to our senior students with their efforts in NCEA last year. Our Level 1, 2 and 3 overall pass rates are well above the national average and on par with the Decile 8 average across the country.

Our Merit and Excellence endorsements are also on par with the Decile 8 average. Our Level 1 Excellence endorsements were especially pleasing. In my message to students as they started this week, I mentioned the importance of making every learning opportunity count. The last two years have taught us that credits earned earlier in the year can be worth more later in the year due to lock downs and forced time away from school.

Our roll is currently sitting at 1853 and as of Monday we are fully staffed for the year. In addition to many new students at JHC, we have a number of new teachers who are profiled in this newsletter. We formally welcomed our new staff with a mihi whakatau on Monday.

carpark and landscaping has happened at the Junior Campus and looks great. The turf project is well underway and we are hoping it will be in use by March, along with a new cricket pitch and the refurbishment of the practice nets.

The major build projects at the Junior Campus are into the design stages. We are hoping a new stand alone toilet block will be in place by the end of the year, as well as modernisation of the major classroom blocks facing the turf. These blocks will have the back of them remodelled to create break out spaces. The Junior Campus redevelopment project is over \$2,000,000

While we anticipate there may be some disruptions again to teaching and learning and our extra-curricular activities, we want to remain positive and will continue to celebrate our students' success. As always, we will endeavor to communicate with you regularly and clearly. As parents, if you have any questions or concerns please make contact via our office.

and will make a wonderful addition to the functionality of our school.

At the Senior Campus, survey work has started to enable the siting of a new 14 classroom block to replace the aging B Block. This will be a 30 month project.

You can be assured that the JHC Board and staff will continue to follow all Public Health Guidelines and communicate any changes in school operations as efficiently as possible.

Best wishes for a great year at James Hargest College.

PTA Report

Ainslie Bruce
Chairperson

My name is Ainslie and I'm the Chairperson of the PTA. I am married to Andy and we have two daughters at Hargest; Mackenzie in Year 13 and Riley in Year 12. I am employed at Barnardos as an Administrator for our residential group home, Te Whare Rau.

A big thank you to everyone who supported our Second Hand Uniform Sale in both December and January. Your support and understanding was much appreciated especially with NZ going into Red just before the January sale. This resulted in a few changes to the rules so it could go ahead within the guidelines.

I would like to invite existing and new parents to our next PTA meeting being held on Tuesday 15th February at 7.30pm in the Brig, upstairs in reception at the Senior Campus. Our PTA is a friendly bunch of staff and parents who meet every second month for an hour or so and there is absolutely no fundraising!

PTA Meeting Date

The next PTA meeting will be held in the Brigadier's Room at the Senior Campus, scheduled to start at 7.30pm.

Tuesday 15 February

If you wish to contact me, feel free to email me at andy.ains@xtra.co.nz or phone/text on 0272014243.

Senior Campus House Deans and House Leaders

Should you have a concern you feel you should share, your first point of contact is generally the form teacher. However, sometimes you may feel it may be more appropriate to speak with a Dean (Phone 2176129) or a Year 7 or 8 Leader (Phone 2179250).

If it is a matter that you feel more comfortable speaking with a Guidance Counsellor about, you may contact either Mrs Fox, Ms Cummings, Mr McNaught, or Ms Loo.

Tips from the Counsellors

As a school we have a very strong focus on the emotional health and wellbeing of young people. We are delighted to have the privilege of the company of your young people and we do our very best to ensure that we take good care of them and that they have a really good time at James Hargest College. We can do that best if we work with YOU who know them so well and who will often be the first people to know if something is not right in their life. (Research tells us that about 50% of students will tell a counsellor or teacher if something is wrong, 60% will tell a friend and 80% will tell a parent.)

BYOD Devices

Senior Campus

All students are expected to have a device to use in all of their classes. This is especially important in 2022 as we set up routines to continue if students are required to work from home.

If a student needs to borrow a device for the day, they can issue a Chromebook from the library before school.

Arts

Our Hemi Hakena performing arts students had a very busy holiday period taking part in many events.

The Terrace (Ailin Pekar, Blake Humphrey, Jackson Jones, and Aiden Hosie) got inventive with their gig venues and entertained patrons at Splash Palace over the holidays with a mix of originals and popular classic rock hits. They also performed to a packed Muso's Club along with Holly Muirhead as support acts for local singer-songwriter Simon Thompson's opening gig of his tour. Kia mau ki ake te mahi pai!

Congratulations to all the students in Years 7-13 who put in many long hours of mahi to present an outstanding, highly entertaining show at the stadium as part of performers for the ILT Christmas Show. It was wonderful to see so many of you showcasing your talents on the stage. Ka pai!

A huge congratulations to Holly Muirhead for winning ALL six categories she performed in the Matamata-Piako Country Music Awards. Holly won:

- Intermediate Country Rock
- Intermediate Solo
- Intermediate Gospel
- Open Country Crossover
- Open NZ Song
- Open New Country

And if that wasn't enough, she won overall Intermediate which gains her entry for the 2022 NZ Country Music Entertainer of the Year. Phenomenal work Holly!

Well done to Year 13 student Brianna Loan and JHC alumni Reuben Brown and Jack McKenzie for their outstanding performance as part of the National Youth Brass Band. You can watch their concert, Rangatahi E Tu! Maranga Ake Ai, which was live-streamed on the National Youth Brass Band Facebook Page.
