### Kia ora koutou

As we reach the mid point of term two, we are certainly still dealing with covid in our community. We know this is adding to the pressure for our teachers and our students. I encourage all students to keep in touch with their teachers and keep up with online learning when away from the classroom. Open communication and keeping your workload manageable by regularly engaging with tasks are lifelong skills. Asking for help and making the most of opportunities such as study centre keep your focus on what needs to be done and help you to organise your time effectively.

This term has a lot of internal assessments for our senior students and if you don't keep on top of your workload, it can feel overwhelming at times. If whānau are noticing that their tamariki are struggling because of time away from the classroom we encourage you to make contact with homeroom or form teachers. We want to help all students navigate this tricky time in their education.

I have been away this week at the annual Secondary Principals Conference. This is always a very worthwhile event where keynote speakers cover all aspects of educational leadership and we are challenged to look at both the how and the why of what we do. It is a great opportunity to step back for a moment and consider the things we are doing well, as well as the things we can improve upon. As always, we welcome community feedback around how James Hargest College is working for your rangatahi. Schools are all very different and at James Hargest College our mission is to equip all our students to create the best possible future for themselves and their world. We are constantly reflecting on and refining what we do as we aspire to meet this mission.

Last week saw Year 9 and 10 students perform Game On!, the inaugural showcase of this action packed play written

by our resident playwright David Pottinger. Congratulations to the directors, senior students Lydia Blomfield and Claire Best. The play was highly entertaining and the last minute cast change was a clear indication of how flexible we are all required to be at the moment. Later this month we have a lot of exciting events on the calendar. We are excited our choir can take part in the Big Sing, we are looking forward to an inter school with Wakatipu, our Kapa Haka Roopu have been invited to perform for Matariki and our major production Mamma Mia hits the stage. We are also looking forward to formally recognising our students who have been awarded academic and sporting blues in a special ceremony.

Amidst the ever changing landscape, we are very proud of the fantastic achievements of our students and the agile, flexible manner in which they navigate their own pathway to success.

This week has been Samoan language week and we have celebrated with posters and a variety of phrases in our classrooms. Manuia le aso to all. (Have a great day)

I wish you all the best for a relaxing and recharging Queen's Birthday weekend.

### Kia ora koutou

At the May meeting of the Board of Trustees Kristine Simpson presented a report on the 2021 year at the Junior Campus. It was wonderful to hear about the successes and reflections that are happening across all curriculum areas for our Year 7 and 8 students. There are clear targets in place for

reading, writing and mathematics and there is robust discussion and analysis of all data. There are goals around student achievement and reducing disparity for target learners. As we know, school is about more than this data and it was heartening to hear the initiatives around wellbeing and supporting all students to thrive. Thanks very much to the team at the Junior Campus for their ongoing work. We really value the great job that our staff are doing, particularly in what we know have been very challenging times.

We are thrilled to hear that the turf at the Junior Campus is up and running. What a great facility for our school. It offers another space for PE, sports practices and games. We look forward to seeing it being well utilised over the coming years.

Lydia's student report highlighted the success of House Day. It was great to hear from the student perspective the value of this day in terms of school spirit and belonging.

The Board was asked to consider an issue pertaining to the school uniform policy. Following discussion, the Board endorsed

the continuation of our current uniform, jewellery and grooming rules. All students attending James Hargest College are expected to present themselves in line with this policy which can be read in full on our website.

The Board are grateful to the teaching staff at James Hargest College who have been very adaptable and at this stage we are managing to keep the whole school open, even with the challenges of teacher absence. We are still seeing large weekly numbers of Covid cases in both the staff and the student body, and the lingering effects of illness are certainly being felt. Most of the teaching staff are continuing to choose to wear masks and it is obvious that these made a difference in reducing the number of infections.

Hope you have a great long weekend and find some time to do something you enjoy.

### Kia Ora from the PTA!

Gosh haven't the mornings been getting cooler as we head into winter! If you are needing some warmer items of uniform, there are plenty of jerseys and a limited number of kilts available at the PTA Second Hand Shop, just make an appointment with Ange in Student Admin if you wish to try these on.

The PTA have opted to purchase dried floral arrangements for the reception areas instead of fresh floral arrangements. They look stunning!

Our Year 13 students will be making plans for their School Ball on 30th July, for those wishing to borrow a dress for the occasion, check out "The Shoe Booth" on Facebook.

### PTA Meeting Dates

The next PTA meeting will be held in the Brigadier's Room at the Senior Campus, scheduled to start at 7.30pm.

**5 July**  
**13 September**  
**15 November**  
**Uniform Sale – 13 December**

## New Turf Junior Campus

Great news! The new multipurpose turf at the Junior Campus is ready for use. To keep the turf in excellent condition all users of the turf are required to wear sports shoes. The lines on the turf are designed for basketball, hockey, futsal and tennis. The gates will be locked after school and will not be open for recreational use outside of school hours. Teams are booking before and after school times for training and as we head into the summer months Tennis Southland will be utilising the courts. A big thank you to everyone involved in planning, designing and building this fantastic facility.

### Mā te mahi ngātahi, ko te eke panuku, ko the eke tangaroa

*It is through working together that we achieve our goals and aspirations*

We are excited to announce that we have recently elected two superb leaders and one deputy as part of the formation of Te whānau o Hēmi Hakena form class. These rangatahi will have responsibilities within whānau form time and be also given great opportunities outside of form time

to build our school wide use of te reo me ōna tikanga, one important kaupapa will be Matariki which we are looking forward to. Our leaders are Ryder Mikkelsen (Mana tāne) and Alexis Sapini (Mana wahine). Our deputy is Maia Fletcher.

Our Kapa Haka rōpu is busy preparing for the Matariki festival at Queens Park and we hope to see you all there as it will be a fantastic event.

*Where?* Queens Park (Cricket Grounds)  
*When?* Friday 24th June, 5.30pm start

This week we celebrated Samoan language week by learning basic greetings and simple phrases that encourage whakawhānauanga, manaakitanga and ultimately promote our school wide values. Kitana Poutasi was instrumental in organising and sharing delicious food and drink from her Samoan culture with the entire whānau class.

# GAME ON!

## Playwright's Message

James Hargest College is very fortunate to possess a piece of technological equipment that many performing societies would give an arm and a leg for – namely a LED background screen. This technology can transport us anywhere in a second so why not have a play that makes full use of it?

Kids of all ages like computer games and they are big business. You cannot copy directly, mind you, because George Lucas has been known to sue, but why not combine popular items of modern culture with stuff I had lying around home.

To see my concept come to life with this talented and dedicated

cast under the perceptive direction of senior students, Lydia Blomfield and Claire Best has been a pleasure. In these Covid ridden times we need to recognise the effort that is involved in ensuring that shows like this one happen.

## Scholarship and Excellence Endorsements for 2021

We are proud of the achievements of our top scholars in 2021, earning 8 NCEA Scholarships across 6 different subjects.

We are particularly proud of Finn Cruickshank's Outstanding Scholarship in Calculus and Holly Muirhead's Outstanding Scholarship in Music.

We also acknowledge the 15 students who gained Excellence Endorsements at Level 3 NCEA.

We think that this kind of success is worth celebrating. These students will be honoured and congratulated in person at a special ceremony.

Congratulations!

## HARGEST STUDY CENTRE

Get help with your school work. Teachers, Librarian and Peer Tutors available to help with homework, research, exam study, and classwork

Senior Campus Library  
Tuesdays 3.30 - 5.00pm

## Science

### Junior Campus

Year 7 students have been mixing acids with bases and making detailed observations. Year 8 students have been inflating balloons with the CO<sub>2</sub> gas made from a chemical reaction between baking soda and vinegar.

## Music

### Junior Campus

Our Year 8 students have been revisiting some familiar tunes and trying out a few new songs using a range of instruments - mainly tuned and untuned percussion. We are currently using Boomwhackers to create some fantastic remixes of pieces together. Room 10 not only played well, but also looked the part for 'Pink Shirt Day'.

# Winter Uniform Update

**A reminder about the correct wearing of James Hargest College uniform for the winter season.**

- Kilts or A-line skirts may be worn throughout the year at both the Junior and Senior Campus. Skirts must be of a reasonable length, neither very short nor longer than mid-calf. Long pants are available as an alternative for the winter skirt/kilt.
- Undergarments may be a plain white t-shirt, merino or polyprop worn under the white shirt/blouse/ for extra warmth (should not be visible below blouse/shirt hems or sleeves). Black or white may be worn under the grey shirt. Blazers may be worn at both the Junior and Senior Campus.
- Scarves and beanies are optional but must be the school standard cardinal red with gold stripe. School beanies are available on the Kooga website (Kooga.co.nz).
- Black or other coloured scarves are not to be worn. Gloves must be black.
- Any **plain black** weatherproof jacket (not cotton) may be worn to and from school. The Kooga JHC jackets are available to order from the Kooga website along with the school hoodies. The jackets may be worn at any time. The school hoodies are only to be worn with the PE uniform, not with the formal uniform.

## Softshell Jackets

We have full sizing samples at both Senior and Junior Campuses. Enquire at the office. The key points are;

- Orders are online - there is no physical shop.
- Hoodie orders are closed off weekly. (Delivered the following week)

**The Size 13/14 soft shell jacket is on back order - there are 70 jackets arriving but they won't be here until the end of July. Parents can consider upsizing to an XS (there is only 5cm difference).**

## Values Awards

Junior Campus

**Hannah Norman, Max Galt, Ben Hargest, Chloe Chen, Ollie Black, Bella Lightfoot, Pyper Jarvis, Emily Donaldson.**

## Service Awards

**Violet Winchcombe, Mercedes Checketts, Zoe Beck, Ben Hargest, Christopher Sandiford, Allie Harrison, Maggie Kennedy, Hannah Dick and Liroshun Yogeswaran.**

## Toi/Wearable Arts

Junior Campus

Garments for this year's Toi/Wearable Arts under the Showquest umbrella are well underway at the Junior Campus with creatives spending many mornings before school and lunchtimes working hard on their entries.

## Celebrating Tech

16 - 22 May 2022

This year Mrs Greeff went all out to celebrate Tech. The week started off with Tech Tips to all teachers, and Mrs Greeff's classes were also given these tech tips.

- Tech Tip 1: Computer Desktop Organization Background Images to clear desktop shortcuts
- Tech Tip 2: Gmail Filters and Labels
- Tech Tip 3: Using Chrome Bookmarks to manage websites frequently visited
- Tech Tip 4: File Management - colour-coding folders, adding emojis, and hashtags, or adding the same file to multiple folders in Google Drive
- Tech Tip 5: Email Signatures that contain your preferred pronouns

## Digital Technologies

On May 4th, some of the Digital Technologies Programming students took part in a LIVE webinar with guruface.com in Dallas, Texas in the United States of America. Guruface is a complete online platform for learning, teaching, and training. Their mission is to provide a state of the art online training platform for students. They have a foundation of highly talented professional trainers who specialize in a variety of subject areas. In this session students were taught about what makes machines SMART and built a flashing light with an Arduino Simulator during the webinar.

The Digital Technologies Programming (DGP) Level 2 students had a Google Meet with Mike Hargreaves from AllTeams Ltd (allteams.co.nz), who are responsible for the new website for James Hargest College. The DGP students built their own JHC websites in DGP Level 1 and they were super impressed with how Adobe XD was used for the mock-ups and the amazing new design for the school. Mrs Greeff was proud of the valuable insight they gave from a student's perspective. The website is very much in the beginning stages of design but it is looking fantastic.

The DGP level 3 class participated in a Google Meet with Timely (www.gettimely.com). Timely's software is used by clients to manage their business, connect with their peers and access education from global industry leaders. The employees in the Meet were a range from product developers, data analysts, cloud specialists, project managers, designers and sales representatives. The students appreciated the invaluable insight they gained by learning the paths each employee took to their place in the tech industry; their roles and responsibilities in the company; and they learnt that a pathway in tech is not necessarily all about coding.

Senior DGP students were given an opportunity to talk with our very experienced Landyn Frisby. Students had the opportunity to ask him questions on his pathway to the ICT (Information and Computer Technology) position at JHC. He chatted to the students about his role and responsibilities as a computer technician; the educational pathways he has taken that prepared him for his role; the JHC network, computer components, computer security; the future of tech at JHC, and much more.

On the Thursday of Tech week, some Level 2 and 3 students took an excursion to SIT Information Technology facilities. Students were impressed with the facility that boasted many computer rooms, especially the hardware room where students are able to tinker with computer components and build computers from the parts available to test their compatibility and whether they function properly.

**40 minutes for 40 Hour Famine**

This year, World Vision is raising money for clean water for communities in Malawi and Afghanistan, and James Hargest needs your support in order to make a difference. So far this year our World Vision group led by Charly Faherty, Halle Faherty and Kady Gill have raised over \$1500 through a variety of fundraisers including bake sales, sausage sizzles, and hot chip lunches with the help of senior students volunteering their own time. We are so incredibly fortunate to live the life that we do, and we know that others around the world aren't so lucky. The 40 Hour Famine is scheduled to take place from the 1st until the 3rd of July, however on Wednesday the 6th of July, we will be holding an event here at Hargest. This gives students the opportunity to complete a task for the cause without the commitment of doing the famine during the weekend, where many people tend to have sport, work, or other prior commitments. All support is welcome, it only takes a small amount from all of us to make a massive difference to the lives of those in need.

For more information on this years famine visit <https://www.worldvision.org.nz/> or, visit our JHC World Vision pages to show your support or to sign up and join our team. Let's help fight the water crisis.

Some of our Junior Campus students met with Emily (South Island World Vision Ambassador) a few weeks ago. She spoke to us about the reason behind World Vision and the focus for this year. As a group we came up with some fundraising ideas and set a goal for the amount of money we want to achieve. We are now in the process of setting a solid plan and timeline and are looking forward to getting other students motivated and engaged in the World Vision fundraiser this year.

## Bullying Free NZ Week - Senior Campus

Kōrero Mai, Kōrero Atu, Mauri Tū, Mauri Ora! Speak Up, Stand Together, Stop Bullying. We used the week to reinforce key messages such as the power of

random acts of kindness, how to be an upstander, inclusivity and cyber bullying. We know these things are important all year and during this week

we made them a focus in all our classes. We have finished the week with Pink Shirt Day - where we stand together in Pink to send a strong message that there is no place for bullying at James Hargest

College. Bullying often makes people feel alone, but Pink Shirt Day shows that many people care. Thanks to the LEO Club who have run a Pink Bake Sale all week, as well as selling pink accessories. 'Stand Together' refers to how bullying behaviour is influenced by the actions and values of friends, whānau, schools, kura, workplaces and whole communities. Real change happens when we Stand Together.

## LEO Club

The LEO club has decided to sponsor ten children to attend the upcoming ILT Kidzone festival in the July school holidays. This is a great opportunity for kids that perhaps wouldn't usually be able to attend this event and we are sure that they will have an amazing time.

## Red Shield Appeal

Our Red Shield Street appeal is our biggest fundraiser each year. All money received supports the most urgent needs in our communities. In 1964 our Red Shield Appeal was launched and has been active ever since. Today the Red Shield is among the best-known logos/brands in the world and represents The Salvation Army's reputation for being on the frontline of need.

Your support will enable us to continue to offer a pathway of long-term change, upheld by our many wrap around services. We are helping people build a better future.

# Host families

**Make a difference**

**Gain new perspective**

**Learn about new cultures**

**Build lifelong friendships**

**James Hargest College is currently looking for warm, welcoming, caring host families for International students aged from 12 years – 18 years.**

Introduce your family to a new language, new foods, music and an entirely new culture. See the world through fresh eyes as you share experiences and build life long friendships with families from across the globe by becoming a part of our Homestay community.

Hosting can range in duration from 10 days – 1 year. There is no requirement to have your own child at James Hargest, but, you must:

- Be able to provide a safe and caring environment
- Be willing to treat the student as a valued family member
- Be respectful, mindful and empathetic
- Be able to communicate well with young people.

A fortnightly payment is provided for each student and support will be available if needed during your student's stay.

## Careers Passports

The Careers Passport sessions have moved on to new classes of Year 10 students who are reaping the benefits of being able to have guest presenters in the school! The session shown in this photo is one where community members came in to speak with groups of students about their jobs, wearing components of uniform and even introducing our students to edible flowers! Some of our guests in this session were ex-students, which was fabulous too.

## Bullying Free NZ Week Junior Campus

Congratulations to Amber Bryson, Room 4, (above, right), who won the Pink Shirt Day t shirt design competition. Runners up were Aston Couper, Room 2 & Sophie Meijer, Room 8. The Junior Campus raised just over \$1000 for Mental Health. Thanks everyone!

## Outdoor Recreation

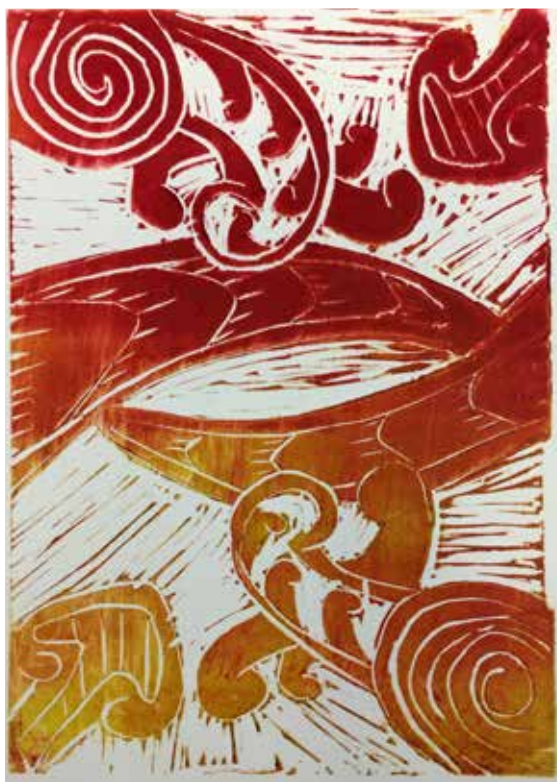

The ODR students continue to do small tramps with their packs filled with appropriate hiking equipment to prepare for their 3-day tramp on Stewart Island. While on the Bluff Hill and Mores Reserve walks, the students used cookers to hone in on their outdoor cooking skills. Forrest Hill and Makarewa Falls will be the remaining walks before completing the Rakiura Tramp.

# Pasifika Scholarship Event

Nick Tutini

On the 13th of May I flew up to Christchurch to attend the TOLOA STEAM Challenge as a representative of Southland and JHC with 21 Pasifika students from all around the South Island. I didn't have much of a clue of what I was getting myself into, but I was very excited nevertheless.

We were split up into two groups. Side A was tasked with making a new invention to help stop volcanic ash from badly damaging local settlements around volcanoes, and Side B, which is the team that I was on was tasked with finding a new solution to plastic bags in the Pacific Islands. The solution we came up with was using banana leaves and fibres to create a sustainable and easily made replacement for the plastic bag, we then had to come up with manufacturing costs, selling costs and different factors that could inhibit our bags design.

Toloo aims to support Pacific students and communities to thrive and pursue

education and careers in STEAM (Science, Technology, Engineering, Arts, Mathematics.). The Toloo Pacific STEAM Challenge is a fast-paced two-day event for recipients of the Toloo Scholarship.

I enjoyed the event quite a bit, with everyone being extremely friendly and welcoming, and lots of food shared! There was a lot of diversity throughout the class. With many different people from many different places., it was a great experience being able to get to know others and work with them to innovate and create a solution to real world problems.

## Gymnastics

### Junior Campus

Congratulations to Maggie Kennedy (above) for winning Bronze for Tumbling. She earned a NZ qualifying score and is looking forward to representing Southland at the NZ Nationals held in Invercargill in July. A highlight was meeting Dylan Schmidt, NZ Trampoline Olympic Bronze Medallist from the Tokyo Olympics.

Congratulations also to Caitlin Lewis (below) who participated in the competition at the Invercargill Gymnastics Club. She won her Beam, Floor, Bar and Vault and earned 1st overall for the overs. She also won a trophy for the best step 4 in Southland.

## First game of Girls' Rugby

It has been good to get the Girls Rugby season underway with a pre-season game against Verdon and a competition game against Central Southland College in which our girls played with a lot of heart and resulting in a 56 – 38 loss.

Although it wasn't the win they hoped for, it was great to see so many points being scored by both teams! Their games are on Monday afternoons at 4pm so please check the draw at Rugby Southland if you are keen to come along and support them.

## Speedway NZ Youth Gold Cup

Kadin Cracknell, a Year 8 student placed second in NZ for his 200cc Junior Solo Division recently at Moore Park Speedway in Christchurch. This is Kadin's

first season racing in this grade. A big achievement for him alongside his Oreti Park Speedway buddies on these bikes that have no brakes.

## Before School Maths Junior Campus

Come and see us in the warm Fabrics Room for some help with maths homework, assistance with anything in maths that you can't quite get to grips with, or some challenging extension work if maths is your thing. We would encourage you to attend on a regular basis but if you only need us now and then that is fine too. Teachers are available to help your child in Before School Math classes every Tuesday and Friday morning from 8.10 to 8.40 am (in the Fabrics Room). This is an individualized programme, so it caters for extension as well as support.

## Sick Bay

If you are feeling sick and need to go home, you **must** go through sick bay. The office ladies will contact your parents/caregivers to arrange to have you picked up or will seek permission for you to walk home. **You must not just sign yourself out.** We remind you to stay home if you feel unwell.

## Student Safety

### Junior Campus

Students **must not** be on the school grounds before 8.20 am, unless attending Before School Maths. This is a safety issue as supervision is not available prior to 8.20am. We also do not have supervision available after school so unless your child has an activity within the school please ensure they are collected by 3.30. Students are not to use the staff car park on Layard Street as a walkway area and parents are asked not to use this as a drive through to drop or pick up children, again this is for safety.

## ILT Kidzone

### Volunteers Wanted!

Help us run ILT Kidzone 2022, a six day family festival held at Southland Girls' High School during the winter school holidays! Shifts are from 9am-1pm and 12pm-4pm daily from Wednesday 13 July - Monday 18 July. You choose which shifts and how many days, and we'll find an activity for you! Volunteers must be over 14 years old.

- Great work experience for your CV
- A chance to give back to your community
- A fun way to spend your holidays and meet new friends
- Free lunch is provided for full day volunteers

Sign up now at [www.iltkidzone.co.nz](http://www.iltkidzone.co.nz)

## Before and After School Safety

As winter approaches we ask parents to be mindful of their children who travel to and from school by foot and by bike, scooter etc. It is beginning to get dark earlier, so students need to ensure they are visible and travelling in well-lit areas, e.g. NOT on the Waihopai walkway after dark. Students attending late after school practices please do not arrive at school until your practice time.

## Health Nurse

### Junior Campus

If you have any concerns please phone the school office and we will arrange for the Health Nurse to contact you. If students wish to see the Health Nurse they are able to make an appointment by placing a request in the red post box in the office foyer

## Payments

We encourage AUTOMATIC PAYMENTS to be made with the campus your child is attending, Year 7-8 Junior Campus bank account and Year 9 and above Senior Campus bank account. Please include your child's student ID as a reference.

The bank accounts numbers are:  
02 0924 0408612 01 (Junior Campus)  
02 0924 0408612 02 (Senior Campus)

## Donations for Fabrics

### Junior Campus

Mrs Rodger would love some donations of supplies to keep her Fabrics room stocked. She is looking for any two-hole buttons, cotton fabric and denim jeans you may have spare. Please drop at the Junior Campus Office.

The poster features a cartoon illustration of a person with a large head, wearing a red shirt and white earbuds. Their head is filled with various art and writing supplies, including pens, pencils, a magnifying glass, and a paint palette. The background is a solid light orange color.

## Parent, Caregiver, Whanau and Community Engagement

At James Hargest College we are always interested in engaging with our community and listening to parents, whanau and the wider community. If you have any good ideas or there is something special that has happened regarding Hargest, or there are issues, concerns or complaints we should be aware of,

please contact the school office  
Senior Campus (2176129) or  
Junior Campus (2179250) or via email,  
[office@jameshargest.school.nz](mailto:office@jameshargest.school.nz)  
You will be put in contact with an appropriate staff member

## Information Updates

If you have any changes to your details (e.g. address, phone numbers, medical details, emergency contacts, etc), please let the school know as soon as possible in order to keep our records up-to-date.

Please email Mrs Breen (Senior Campus) with any changes at  
[office@jameshargest.school.nz](mailto:office@jameshargest.school.nz)

or phone 2176129

or Mrs Cribb (Junior Campus) at  
[juniortcampus@jameshargest.school.nz](mailto:juniortcampus@jameshargest.school.nz)

or phone 2179250

## E-mail Newsletters
