

Windows 10:

1. On your System Tray click on the wireless icon shown below.

2. A list of available wireless network will appear. Click on **JHC-BYOD** and choose **Connect**.

- 3.
4. You will be prompted to enter a username and password. Enter your JHC network login and password, as shown below, and click OK. For students this is your JHC student id number.

- 5.
6. You may receive the following prompt, click the **Connect** button to continue.

- 7.
8. You will now be connected to the JHC BYOD WiFi network.
