Wearable Arts - Toi

Acting Principal's Comment

Caroline Raynes
Acting Principal

Kia ora koutou e te whānau

Mr Newell and Mrs Buchanan are currently away in Europe reconnecting with our overseas agents. We look forward to having more international students back in our kura as travel options open up and restrictions ease.

Thank you for the manner in which our senior students prepared and conducted themselves during Evidence Exams. Hopefully you will use the exam experience to build confidence for the

external examinations in November, and have learnt where you need to focus your energies.

Our year 10s took part in the Literacy and Numeracy Pilot last Thursday and Friday and we look forward to these results. They will help us plan for future changes coming into effect in 2024.

Te wiki o te reo Māori was celebrated with haka, ki o rahi, and inter class challenges. It was great to hear students using te reo Māori often and we must keep up the wero of using the language as much as possible.

Last week saw the first meeting of the newly elected Board of Trustees. Welcome to Mary Foley who has joined us, and congratulations to Toni Green on her selection as the Presiding Member. Thank you to those students who put their name forward for the student BOT representative. It is admirable putting your name forward for governance and we look forward to seeing the results of that election.

Sadly I want to say farewell and send best wishes to Mrs Chilton-Smith. Jeanette has been a treasured and beloved colleague for over twenty years at Hargest, having firstly been a teacher at Rosedale and

then taking up the position of Associate Principal at the Junior Campus. We will remember Jeanette for her kindness, care and dedication to Hemi Hakana and we will miss her dearly. Enjoy a well deserved change of pace in Wanaka with Constable Marty, who finally received the coveted Principal's award last week. Thank you for all you have done for us Marty.

Jeanette, nga mihi nui e hoa - for all you have done for us.

Finally I wish to express my gratitude for the support and kindness offered to our students and staff in the loss of our student and rangatira in Year 12. The care that was shown by the Hargest community was appreciated and we were very proud of the way our young people supported each other.

I hope the holidays bring the chance to recharge, spend time doing the things you love, and help you prepare for the term ahead.

Have a safe and refreshing break everyone.

Nga mihi
Caroline Raynes
Acting Principal

Whanau Report

Tēnā rā koutou katoa, e te whānau o Hēmi Hakana.

A recent highlight for the whānau class was the House Haka Competition. It was awesome to see the mana and pono in performance and the full school haka was kaimā. The Kapa Haka rōpū also presented their new haka to the whole school for the first time. This was a fantastic demonstration of haka and students

were moved by the performance. Nui te aroha ki te whānau i tēnei wā pōuri nei, mā te Atua e manaaki.

Kua ngaro i te tirohanga kanohi, engari mau tonu ki ngā tauwharewharenga o te ngākau.

Gone too soon by sight, but never gone by the deep reservoirs of our loving hearts.

From the Boardroom

Kia ora koutou

Welcome to the new James Hargest College Board who met for the first time last week. We are grateful to have a community who are interested and invested in the governance of our College and it was wonderful to have so many parents nominated. Congratulations to the elected Board members, Toni Green, Nic Raines, Richard Aitken, Mary Foley and Michelle Greenwood. The Staff Representative is Lara Buchanan. The first order of business was to appoint a Presiding Member and Toni Green was appointed to this position. Congratulations to Toni and the full Board. We look forward to working with you over the next three years.

The Junior Campus presented a report analysing achievement data in reading, writing and maths and looked at strengths and areas in which we can improve. The impact of covid in terms of time away from school has meant there are some students who are not quite where we would like them to be.

Nic Raines, Toni Green, Richard Aitken, Mary Foley and Michelle Greenwood.

It was great to hear about the steps in place to support learners who need a boost in these foundational areas.

School trips are taking off again which was very pleasing to the Board. We heard about Mountain Biking, Rock Climbing, Basketball, Southern Jam and Rugby trips all coming up soon. This is in addition to camps and other

class trips. The Board wishes to thank all staff and parents who support our students in these important endeavours.

We wish all students and whānau a relaxing holiday break doing what makes you happy.

PTA Report

Ainslie Bruce
PTA Chairperson

- Banner for the Interrobang group for promotional purposes
- Year 8 Graduation Social
- End of Year Picnic - Junior Campus
- End of Year Prizegiving - Junior Campus
- Our PTA Second Hand Uniform Sale will be held on 13th December, more details yet to come.

Waiho i te toipoto, kaua i te toiroa

Let us keep closer together, not far apart

Ainslie Bruce
PTA Chairperson

Kia Ora from the PTA!

It was a rather fun meeting this month approving funding for the following:

- Low light lens which will be used by the photography students, taking photos of our production cast, promotional work and ball photos as well as other various tasks
- Compasses for our Duke of Edinburgh, Outdoor Education and Geography students

PTA Meeting Dates

The next PTA meeting will be held in the Brigadier's Room at the Senior Campus, scheduled to start at 7.30pm.

15 November
Uniform Sale – 13 December

Staff Welcome

Senior Campus

Jenny Song

This term we welcomed Jenny Song to the Maths Department. Previously Jenny has tutored senior students in Korea. She is fluent in English, Korean and Chinese and enjoys singing and dancing in her spare time. Jenny is already proving to be a valuable asset to the Maths team.

Pacific Performance

This term has been an exciting one for our Pacific students. Year 13 student Alexis Sapini has had a fantastic time working with her Pacific Performing group. They had an awesome time performing at the Junior Campus for the Year 7 and 8 students and to farewell Ms Chilton-Smith who has been an influential leader in our school. This group has been rehearsing for the last two terms and are looking forward to performing for our Support Centre students and staff and at an assembly in Term 4. Another highlight will be performing at our school Fono which will be held next term for all Pacific Peoples and their families across both campuses at James Hargest College. We are looking forward to other students joining and running other activities to highlight the skills and talent from our Pacific students.

Constable Marty was awarded a very special Principal's award for his outstanding contribution and commitment to JHC. Thank you Constable Marty for your passion, enthusiasm, jokes and banter - you will be missed by us all. Happy retirement!

Farewell Jeanette Chilton-Smith

Associate Principal

***Haere ra e hoa,
poroporoaki ki to tatou
rangatira whakamiharo***

Farewell Ms Chilton-Smith our wonderful leader. Jeanette has been a part of the 6 Layard Street family for 25 years. Her early years were spent teaching at Rosedale Intermediate under the guidance of Principal Paul Ferris. Paul admired Jeanette for her passion for teaching and learning. She also had a keen interest in hydroponics and developed a hydroponic room teaching students how to grow plants in water!

After a short time away in Australia, immersing herself in a world of music, she returned to Rosedale in 1988 as a homeroom teacher under the leadership of the then Principal, Wayne Green. Near the end of 1990 she left to grow her own little family, returning to Rosedale in 2000 to teach as a Home Room teacher and lead the Science semispec team.

Jeanette was part of the team with Rosedale Principal Robyn Harris, who helped the transition when Rosedale and Collingwood Intermediates amalgamated with James Hargest High School to form James Hargest College in 2005. That year Jeanette picked up the wero to become a Specialist Science teacher and donned her white lab coat for several years, becoming famous for pushing her teaching resources around in a cart from class to class while the new purpose-built laboratory was built.

Never failing to set herself goals and striving for excellence, Jeanette was then appointed as Deputy Principal at the beginning of 2007 working alongside the JHC Senior Leadership Team, led by Principal Paul O'Connor. In 2008 Jeanette dipped

her toes in the Associate Principal role in an acting capacity. This set her in good stead for working towards applying for and being appointed as Associate Principal in 2014 with Principal Andy Wood.

Ms Chilton-Smith has been involved in the daily life of the College with her participation in road patrol, mountain biking (even breaking her arm while taking students out mountain biking!) Science, meticulously doing the make-up in productions, supporting kapa haka rōpū, art classes, taking extras in classrooms, Citizens of the World American exchange, camps, ski trips, the uniform committee and much much more.

We wish to thank Ms Chilton-Smith for her long service to education, for inspiring young minds and leading with a pastoral heart. Her tireless efforts to keep up to date with current research and in particular the value she places on culturally responsive practice and te reo Māori has guided progress across both campuses. Jeanette is a highly respected educator and is regularly sought after to provide advice and guidance to many school colleagues within our community. Jeanette is a big advocate for children and a wonderfully supportive colleague.

Jeanette is re-living (as opposed to retiring) to Wānaka to pursue her interests in camping, fishing, hiking and painting all the while spending a great deal of time with her mokopuna. We will miss Ms Chilton-Smith greatly and wish her all the very best on those river beds - may the fish bite and the mountain tracks be smooth.

***Ko te pae tawhiti whāia kai tata,
Ko te pae tata whakamaui kai tina***

*Seek out distant horizons,
and cherish those you attain*

Junior Campus Production **THE X FACTORY**

The X Factory production was staged earlier this month. Our super talented students showcased their singing, acting and dancing skills by presenting a very entertaining and engaging musical.

Staff Farewell

Junior Campus

Nola Cassidy

Whaea Nola began with us at the start of 2020 in her first year of teaching. Right from day one we could tell that she has a huge heart and builds strong and reliable relationships with her students. These relationships played a huge part in the success of her classes during lockdowns and times of distance learning. What a year to start your teaching career Nola! Whaea Nola has led the development of Waka Ama and Pūtangitangi in the short time she has worked here and has been a pivotal member of the teaching team of our kapa haka roopu. Nola is leaving us to spread her wings and move to Australia. We will miss her and wish her all the very best with her future endeavours.

*Kāore te kumara e kōrero mō tōna ake reka.
The kumara does not say how sweet it is.*

Wearable
Arts - Toi**

Ella McEwan-Franks entered the Wearable Arts - Toi section of ShowQuest and was awarded Outstanding Creative Impact in the Kiwiana section.

Junior Campus Book Day

The Junior Campus was very excited to hold their annual book day after previous Covid disruptions. This year we held our day as close as we could to International Literacy Day which occurs on 8 September. There were so many amazing book character costumes from the students. They embraced the day with enthusiasm and creativity.

Syndicates gathered in the hall throughout the morning to challenge their knowledge of children's literature, with a kahoot quiz and first line of a book competition. Syndicate leaders also shared their favourite book with students at this assembly. All students competed in rotations with different teachers involving activities such as art, puppetry, scattergories and even quidditch. Other competitions were held prior to the day, including writing, digital storytelling and designing a book cover.

The library had their own dramas occurring too with a mystery needing solved. Huge thanks to the amazing staff who dressed up for the day, your characters were superb and definitely added to the atmosphere created for our ākonga. It really was absolutely amazing to see faces, and have fun and laughter with the return of this Junior Campus event to our calendar.

Outdoor Recreation

For Term 3, the ODR camp was at Cardrona Snow Farm. We learnt how to Nordic ski which is quite different to normal skiing, especially as you had to learn how to ski uphill. Nic, from Adventure Southland, also advised the group how to make an igloo. The class split in two to create their masterpieces. Although an igloo wasn't totally created, a great effort was made. There were also snow caves from a previous group at the Musterer's hut so students could experience them.

Social Science Fair 2022

Congratulations to the following Senior Campus Students on your awards at the recent Social Science Fair. There were some outstanding entries and very interesting topics chosen.

Parent evening with John Parsons

Wednesday 19 October
Junior Campus Hall
7:00pm.

John is an Internet Safety and Risk Assessment Consultant working with schools, the private sector and the health sector, providing specialist advice and direction on the safe and ethical use of Digital Communication Technology.

He is a published author and a social commentator who works throughout New Zealand and internationally. He will be running a session for parents and caregivers on cyber safety on 19 October in the Junior Campus Hall at 7pm. These sessions are highly recommended and help adults to support their children to stay safe online.

Above: Thomson House Haka - winning house

Haka

House Competition

*He toa, he toa, he toa, he toa
Ko Hākena e
Ara - hii... aue... hii!*

The opening lines of the Hemi Hakena Haka rang out across the school in Week 8, as we celebrated Te Wiki o te Reo Māori (Māori Language Week).

For the first time ever, staff performed the Haka to the students to kick off the afternoon. The students cheered loudly as all of the teacher's mahi on Thursdays before school, paid off. This was the start of a new tradition that is here to stay.

Then it was time for our ākonga to show us their House pride; and we were not disappointed. Ka mau te wehi Senior Campus students! You were all simply awesome.

The competition ended with a rousing full school haka before the results were announced.

Congratulations to Thomson for taking out the win in 2022.

A big thank you to our judge Jacinta Kerepeti, and the teachers and students for their mahi. What a competition it was.

Sport and Rec Junior Campus

On Friday afternoons in terms two and three, students at the Junior Campus get to choose a Sport and Rec activity. It is always a fun-filled way to finish the week. There are a huge variety of options to suit everyone. Some activities that have been on offer this year include: Jump 'n' Fun, ten pin bowling, archery, basketball, cycling, gymnastics, swimming, badminton, table tennis, walking, coding, crafts, art, music, photography, outdoor games, rugby and futsal.

NZAS Southland Science and Technology Fair 2022

A very large contingent of budding young scientists represented the College at the Southland Science and Technology Fair held at the Invercargill Workingmen's Club from Tuesday 6 – Friday 9, September. 34 students with 24 projects across both campuses entered the Fair this year.

The standard at the Fair was really high and we are delighted with the large numbers of projects that won awards.

Students from Hargest won many of the major award categories at this year's Fair and lots more exhibitor's won special prizes and commendations as listed below.

Congratulations to all exhibitors at the NZAS Southland Science and Technology Fair this is the best performance for our school in recent times.

Commendations:

Easy Not Greasy	Lucy Thomas
The Quest For The Best Cupcake	Megan Wheeler
What Drinking Water Is Better For You? Out Of Town Or Country?	Oliver Van Uden-Smith
How Safe Is Our Drinking Water?	Felix Gilmour
	Millie Hackett
	Anika Cruickshank

Circus Challenge Junior Campus

Circus Challenge came to put on an epic show for James Hargest Junior Campus. In the first period of the day they came and showcased their skills, some of which we would be learning later on. Throughout the day, two classes at a time gathered in the hall to learn something new. The crew from Circus Challenge showed us how to juggle using fabric as an easier method and also added variations later on. Then we each grabbed a stick and a plate and were taught how to spin the plates on the sticks with various methods ranging in difficulty. Everybody got involved and had a great time. A big thank you to Clint and Jess for sharing their talents and putting in lots of effort to make a fantastic show! Zac G and Hannah D Room 12.

Ki-O-Rahi

Students vs. Staff Match

Congratulations to the staff who won 25 to 18 in this nail biting battle!

Art

Year 11 students have been enjoying printmaking with Mrs Beadle. Tinashe Shato has chosen Rugby as his theme - what a great combination!

By Henry Woodward

By Sofia Campbell-Wall

Nga Wahanga o Te Tinana

Digital Technologies

Māori Language Week this year was well celebrated in Digital Technologies. Students were given a range of Activity Tasks to choose from. The focus was for students to celebrate Māori Language and learn something new. Students learnt to project manage their tasks effectively and consolidate their work by testing what they know. Some of the activities they could choose from:

- Create an Infographic for Māori Language Week using "Body Parts"
- Use Scratch to create a quiz for a classmate to test their te reo or tell your pepeha (butterfly).
- Use Piskel Online to create a sprite or GIF picture of Maui.
- Create Māori Pixel Art using Pixelar or Minecraft Education.
- Create a Microsoft Booklet for our Hargest Family.
- Create a website in Adobe Dreamweaver.

- Explore the Minecraft world Ngā Motu by creating a Portfolio using the Camera in Minecraft.
- Use Prezi or Canva or Microsoft PowerPoint to create interactive slides.

By Katelyn McNatty

Dodgeball

House Competition

House dodgeball has been running for the last four weeks at lunch times and intervals. Fair and competitive games were exciting to watch for those in the gallery and those participating on the court. Hamilton came out as the overall winner of the competition followed closely by Menzies in second and Watson and Thomson sharing 3rd place.

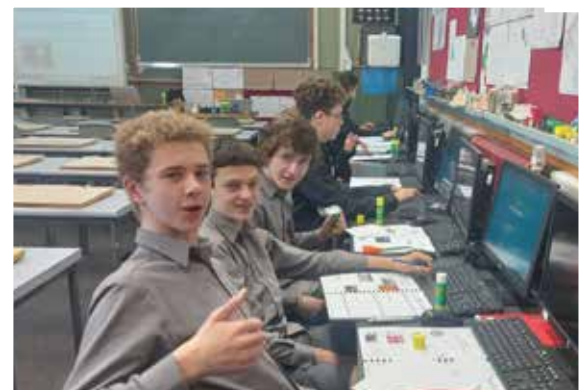

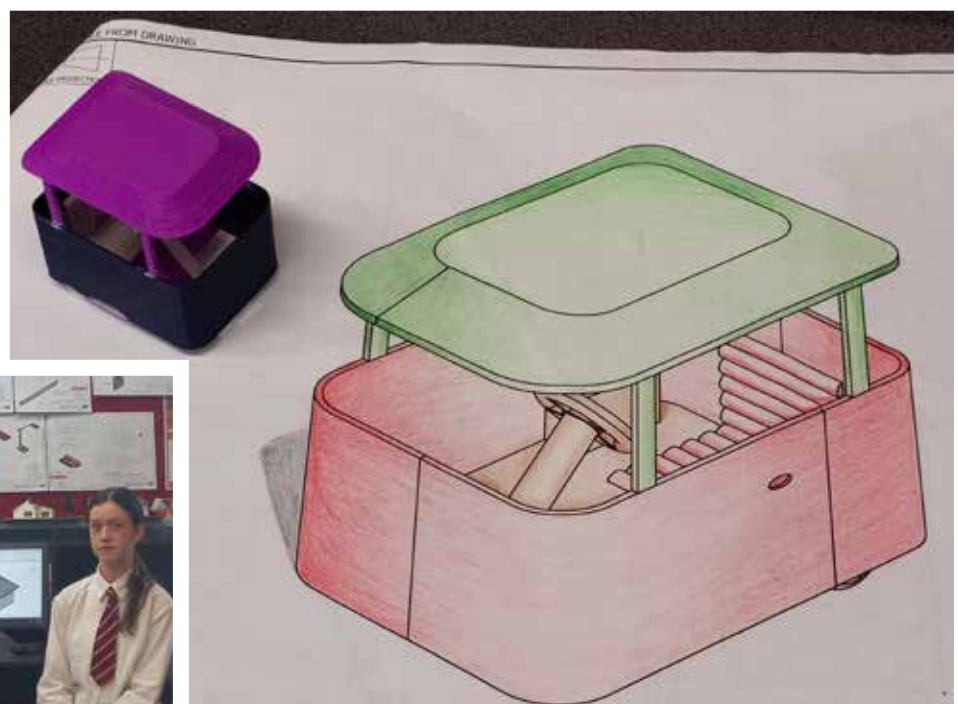

Year 9 Camps at Borland Lodge

Year 9 camps take place in November of Term Four. We rely on parent helpers to enable us to run these camps. If you are able to help out it would be very much appreciated. Your child will have forms to fill in if you are interested in helping. If you have any questions regarding camps please contact your child's Form Teacher.

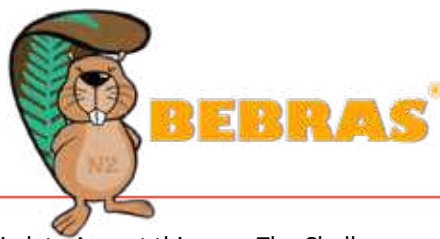

Monday 31 October - Wednesday 2 November – H9SJN, W9SWY
 Wednesday 2 November - Friday 4 November – H9SWO, T9CGL
 Monday 14 November - Wednesday 16 November – M9ETS, M9SGF
 Wednesday 16 November - Friday 18 November – W9AMA, T9djn
 Monday 21 November - Wednesday 23 November – W9KT, M9GAN
 Wednesday 23 November - Friday 25 November – H9BF

Design and Visual Communication

Bebras Computing Challenge

The Bebras Computing Challenge took place in late August this year. The Challenge introduces computational thinking (i.e. thinking like a computer) to students. It is organised in over 30 countries and designed to get students all over the world excited about computing. Each participant gets 45 minutes to answer a set of multiple-choice questions that focus on computational and logical thinking. There were 6 James Hargest College Senior Campus students who completed the challenge for 2022 online this term. There were over 1000 students from all over the world taking part in this challenge.

Results:

Cadets (Year 9/10)

Merit awarded to Olivia Scarlett

Distinction awarded to Sebastian Gray.

Seniors (Year 12/13)

Merit awarded to Eulalia Terra Teodoro

Distinction awarded to Danny Richardson, who placed First in this category in New Zealand. (pictured)

Congratulations to the other participants:
Jonathan Ciju and Sophia Kwong.

Hard Materials

Level 3 Hard Materials students Jonty Robertson (L) and Max Smith have been making cool bedside cabinets.

HARGEST STUDY CENTRE

Get help with your school work. Teachers, Librarian and Peer Tutors available to help with homework, research, exam study, and classwork

Senior Campus Library
Tuesdays 3.30 - 5.00pm

Dan Davin Writing Competition

Congratulations to our students who submitted entries to the recent Dan Davin Writing Competition, we are proud of you for embracing the vulnerability that comes with sharing your mahi.

In particular, ka mau te wehi to students who placed within the competition:

- Lilah Jack who gained highly commended in the Junior Creative Writing
- Ashley Phillips and Chelsea Smith who gained highly commended placings in the Senior Poetry (the highest accolade available)
- James Bath and Katie Melgren who gained highly commended placings in the Senior Creative Writing

Ruby, Ashley, Katie, Lilah (absent: James)

And a huge round of applause goes to Ruby Hickey who took out the Senior Creative Writing competition with her piece entitled 'Reflection'.

she chose to portray relationships and the way they can change over time, to Hazel Gray discussing how she chose to represent climate issues and why, from Jess Pollard's reading of her 'Memoirs of a Beast' to Ruby Hickey's 'Reflection'.

Interrobang Launch

On Wednesday evening an audience of around 50 was privileged to be in attendance for the launch of the 2023 edition of Interrobang, our James Hargest publication of student writing and artwork.

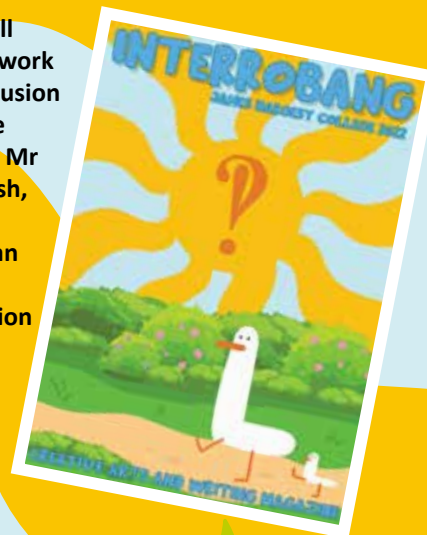

Throughout the evening we were treated to students reading their work aloud or sharing their design process, from Claire Best discussing the ways in which

Pauline Smith, the author of Dawn Raids, was our guest speaker who had us all thinking deeply about the role of art sharing three statements by Johnny Penisula - Art is:

Who we are
Where we are
What we are

She then related these comments to the images and written works she had enjoyed and respected within the magazine.

Congratulations to all contributors whose work was selected for inclusion and well done to the Interrobang team of Mr James, Alice McIntosh, Charlotte Dassen, Sophie Kelsall, Megan Sullivan and Rachel Eckhold for the fruition of a magazine that celebrates creativity within our school.

Striving for Success!

Please encourage your daughter/son in Years 11, 12 and 13 to strive for Excellence! NZQA recognises high achievement through official endorsements as follows:

Certificate Endorsement: If you gain 50 credits at Excellence your NCEA will be endorsed with Excellence. If you gain 50 credits at Merit (or a mix of Merit and Excellence) your NCEA will be endorsed with Merit.

Course Endorsement: If in a single year you gain 14 or more credits at Merit and/or Excellence for a course (subject), you will gain endorsement in that course. At least 3 credits must be from externally assessed standards and 3 credits from internally assessed standards in that course (Note: this condition does not apply to Physical Education or Level 3 Visual Arts).

100 Club: Students who get 100 Excellence credits are invited to join our elite 100 Club!

Hargest has a fine tradition of students excelling at the top end. This doesn't happen by accident. It takes serious planning, goal setting and hard work. Students have access to all the resources, tutorials, dedicated teachers and support from home to help them reach these goals. Let's help our 2021 students make the most of their opportunities here as they have done in the past!

Whāia te iti kahurangi ki te tūohu koe me he maunga teitei

Aim for the highest cloud so that if you miss it, you will hit a lofty mountain

Cups and Trophies

It is time to return any cups and trophies that you may have at home.

Please hand them in at Junior or Senior Campus Reception.

Womens' Suffrage

I was lucky enough to be invited to The National Council of Women Southland Annual Suffrage Breakfast. Over a delicious breakfast we celebrated the hard work and dedication of women before us who have given women today the freedom and right to vote. We were also lucky enough to hear from guest speaker Serena Lyders who shared with us the suffrage journey of Aotearoa women from a Māori point

of view. I learnt about extremely influential Māori wāhine such as Iriaka Rātana and Meri Te Tai Mangakāhia who helped pave the way for generations of wāhine in Aotearoa. Meri Te Tai Mangakāhia did not just request women's right to vote, she was actually the first person to motion wāhine Māori being eligible to sit in the Maori parliament in 1893.

These powerful wāhine help us to understand the significant contributions wāhine Māori made to women's suffrage in New Zealand and the importance of including their legacy when we celebrate women's rights to vote as equal citizens. Serena also shared her own story of the positive impact she has had on Invercargill's community and the inspirational, supporting wāhine in her own life. Celebrating Womens' Suffrage is not only about recognising the mahi from the women in the past but is also an opportunity to reflect on the women in our own lives who have positively impacted us.

Emma Faherty

Geography

The Year 12 trip to Aoraki Mt Cook included a helicopter flight up to a peak above the Tasman Glacier.

Duke of Edinburgh

Over the weekend of 23 - 25 September, a group of 10 Duke of Edinburgh Silver students accompanied by parents and teachers tramped the Rakiura Track, Stewart Island. The purpose was to achieve our Adventurous Journey by putting our skills that we have learned over the years to practice. Leaving on Friday we drove to Bluff and had a flat ferry crossing over to Oban. Our adventures included fishing off the wharf (only catching some interesting starfish), exploring the remote beaches and meandering through the thick bush and stopping at the many historical sites on our way. The tramp was 32 km in total, mostly hills but with some flat spots too. We followed the tracks along the beautiful beaches, spotting kiwi footprints along the way. At North Arm hut we played highly competitive games of spoons and snap, explored the estuary, fished and looked for kiwi after dark. Unfortunately we didn't see any but hearing some was almost just as cool. We were not deterred by the deep mud warnings.

The Duke of Edinburgh students practiced carrying someone in a stretcher in case of an emergency that they made and building emergency shelters as well as cooking and organizing our own dinners. Unfortunately, we did encounter a plague of rats. These rats seem to be avoiding the bait stations due to plentiful food on the ground.

On the final day we walked back out to Oban, this section was shorter than the previous day and we were all walking faster with the motivation of hot chips from the Kai Kart. We were super thankful to the adults - Ms Smith, Mr Dymond and Mrs Greeff, Mr Wilson,

Mr Meijer and Mr Hackett who supervised our adventures. We had some great weather for tramping. The ferry ride back was a little bumpy crossing back and thoroughly enjoyed exploring our backyard.

WHĀNAU KŌRERO

We are thrilled to tell you about a new online support we are offering to our school community. On our website you will find SchoolTV which provides you with a wide range of support through videos or articles about a multitude of topics relevant to your children. You will find this in our wellbeing portal under the Whānau Kōrero section of our website. Please take some time to browse through SchoolTV and let us know if you find it useful.

Each month a new 'Special Report' is added to the programme. Many of you will find this month's report interesting.

This month on SchoolTV - Online Gaming

Games are an integral part of human behaviour. It is normal and healthy for young people to engage in play as a part of their daily lives, including playing games online. Like most activities, online gaming can have both positive and negative outcomes. It can be intimidating and confusing for carers trying to understand a young person's online experiences with many considering that staring at a screen is an unhealthy habit. However, the World Health Organisation believes that as well as the risks, there are also many positive benefits associated with online gaming and these could be key in nurturing bonds with others.

During the pandemic, there was an explosive growth of gaming as people sought much needed connection during isolation. In the media, gaming often gets bad publicity because most coverage tends to concentrate on the minority of gamers who play to such an extent that it compromises all other areas of their life. However, online gaming can teach young people many skills including teamwork, concentration, communication and problem solving. It requires a level of interaction and skill from the player; unlike watching television, which is more passive.

Online communities provide opportunities for young people to feel socially connected and

have a sense of belonging. At healthy levels, gaming can increase self-esteem and social acceptance. However, any behaviour, when taken to extreme, can also have a negative impact on a young person's everyday life. Understanding online experiences and knowing the warning signs if students are at risk, will help nurture a more positive relationship with online gaming and help your family find the right balance.

If you are concerned about online gaming habits, it's important to consider a number of factors. This edition will provide strategies in how to deal with any issues you may be experiencing. We hope you take time to reflect on the information offered in this month's edition, and we always welcome your feedback.

Social Science Fair 2022

Junior Campus GATE

The Junior Campus Year 8 GATE students have been working really hard over the past few weeks to prepare for the 2022 Social Science Fair which was held at the Workingmen's Club from 30 August - 3 September. The quality of the presentations was outstanding and all students who entered the fair can feel very proud of what they have achieved.

The Junior Campus had the most successful fair to date with a number of students receiving a prize. Congratulations to the following prize winners:

Southland Secondary Schools Cooking Competition

Future Southland chefs showed off their culinary skills during the return of a traditional local competition.

After a hiatus of several years, the Southland Secondary Schools Cooking Competition was held at the Southland Institute of Technology (SIT) on Saturday 24th September with 130 entries of pupils from school from across the region.

Pupils took part in live pasta competitions and barista coffee presentations. They also presented their creations in scone, cupcake and baking competitions.

Logan Jordan was excited after winning first prize in the live pasta junior competition.

He created his own version of a fettuccine alfredo. He might study to become a chef in the future, he said. "I decided to take part in this event as it is a good try-out for me and my skills."

JHC placings in the competition:

Logan Jordan - First place for Junior Pasta.

Katelyn Street-Wilson - Third place for Junior Quiche.

Holly Duston - Second place for Junior Cupcakes.

Sophia Kwong - Second place for Senior Barista.

Miles Young - Third place for Senior Barista.
