JAMES HARGEST COLLEGE KEEP FAITH

House Day

Principal's Comment

Mike Newell
Principal

Kia ora e te whānau

Term 2 started with a number of Anzac ceremonies on both campuses. As we honour the men and women who served our country, it's important that we remind our students of the sacrifice and horrors of war. We are proud that our kura bears the name of Brigadier James Hargest who fought in both World Wars and lost his life in WW2. His leadership, tactical flair, dedication, bravery and valour are an inspiration to us all. While we remember those who fought for us last century we drew the parallel of Ukraine today. War is not a memory for them but their reality, they

too are facing losing a generation of young men and women as we did 100 years ago.

Last Friday it was all Red, Blue, Green and Yellow as we held our House Day. What made this day even more special was having our Year 7&8 students together with our Year 9-13 students. When we revitalised our house system two years ago it was always the plan to have a whole school event. Covid got in the way of that but it was awesome to see this come to fruition. Our Heads of House did a wonderful job of organising and our senior students and staff all got behind it and it was a great day. Well done to Thomson for taking out the honours.

Today we said goodbye to Mr Prateep and his group of Thai students who have been here for the past 8 weeks. Our relationship with Mr Prateep stretches back twenty years and it is always great to welcome him and his students back to JHC. Over the next month a number of our other short term International students are also leaving us. I would like to thank all of our homestay families, without you our International Programme could not function. Later this year we have a number of long term students starting from Germany and we also have 25 students from Kumagaya, Japan coming for two weeks. The

Kumagaya exchange is another historical link that we have and we hope to take a group over to Japan in the near future.

Sarah Harvey

Sarah Harvey, our Junior Campus SENCO, left at the end of Term 1 to take on the role of a Resource Teacher of Learning and Behaviour based out in Winton. We are very grateful for Sarah's commitment to supporting our students and whānau and for the systems and structures she worked hard to establish. Sarah always had our students' best interests at the heart of all her mahi and we wish her well for her new role.

Kia ora koutou

At the last Board meeting in April the Board were updated on the events at the Invercargill Activity Centre and Invercargill Student Support Network (ISSN). These facilities are an important part of the educational opportunities for young people in Invercargill. Thanks very much

to Lois Conway and her team for helping to support young people in their care.

Our International Department have been doing a fantastic job with the over 50 International students in our school. JHC students are fortunate to be able to learn a different world view and see how other cultures learn. Thanks to the whole International team for your mahi this year. It has been huge and there are so many benefits for our community. Hats off too to the young people (aged between 10 and 17) who have travelled here from a long way away for periods ranging from 8 weeks to a whole year. They are stepping into the unknown in terms of a new homestay family, school, routines and expectations and their bravery is so impressive. The pictures in this newsletter of smiling faces trying new opportunities shows how much they are gaining from this experience.

The Board were briefed on some curriculum evaluation work taking place at the Senior Campus. It is a good time with all of the NCEA changes to stop and think

about if what we are doing best suits our learners for their futures. The Board has given our support for this work.

The Board of Trustees are responsible for all Policies at James Hargest College. We regularly review and evaluate these to ensure we meet best practice and all legal obligations. As per a nationwide requirement, the Board has ratified a new policy regarding 'Reducing Student Distress and Use of Physical Restraint'. This policy and all of our policies are available on the JHC website.

We wish to extend our thanks to Mike Newell for the clear communication regarding the PPTA industrial action. We know this is sometimes difficult for families to manage and we thank our community for their support of teachers who are working hard to deliver an education of superb quality to our rangatahi.

Ka kite.

Whānau Report

Tēnā rā koutou katoa e te whānau o Hēmi Hākena. Term two has started positively and our whānau class has been continuing to engage in fun activities to create a whānau atmosphere and create positive support friendships for all year levels. We are looking forward to seeing the first major assessments completed for our Te Reo Māori Pilot which is exciting as the taura (students) have been working on these for the majority of Term 1. Our Hautonga practices have been focussed, mixing in a blend of fun and discipline which is required at the competitive level. We have learnt the majority of our repertoire but now need to give it the choreography, ihi, wehi, wana and mana that is needed to give us an optimal chance at doing well when we hit the stage. Kia pai, kia haumaru ngā hararei e te whānau, me whakatā ka tika kia piki ake te ora mō te wāhanga tuarua e haere mai nā, mauri ora, hui ē tāiki ē.

Welcome back

Fiona Meyer

We are thrilled and very grateful to welcome Fiona Meyer back to JHC in the Maths Department. Fiona is a fantastic Maths teacher with a wealth of experience and a friendly, warm manner. We feel very fortunate she has come back to support us and our students once again.

PTA Meeting Dates

The next PTA meeting will be in the Brigadier's Room at the Senior Campus at 7.30pm on:

27 June 2023
5 September 2023
7 November 2023

December & January Uniform Sale dates to be confirmed.

PTA Report

Ainslie Bruce
Chairperson

Kia ora from the PTA

2023 began with a rather intense start to the year with Covid interruptions once again providing many challenges for both staff and students and even for the PTA as we held our AGM via Zoom!

During 2022, the PTA were involved in the following:

- Providing refreshments during the Parent/Teacher Interviews
- Support staff morning tea shout
- Junior Campus Production – X Factory
- Security cameras
- Operating the BBQ at the Open Day
- Prizegiving – Senior & Junior Campus
- Year 13 Farewell Lunch
- Year 8 Graduation
- End of Year Picnic – Junior Campus
- Hosting two Second Hand Uniform Sales

We made changes in our financial area by changing our floral arrangements from fresh to dried and setting the budget for our traditionally funded activities, allowing a variation of 10% on price (such

Matua Terence O'Brien

as for prizegiving), to enable quick decision making at the meetings.

I would like to see the PTA Committee achieve their goal of recruiting parents/ caregivers of our younger students to the PTA as we have some members not too far from ending their journey at James Hargest.

I would like to express my gratitude to Kirstin Sargeant, our Secretary for her brilliant minute taking and ensuring all those necessary tasks were completed before the next meeting and also to Lynsey Stratford who was in the role until, she had to resign in December for personal reasons.

I also, would like to thank Sarah Warren, our Treasurer for her dedication to the role over the past year. We have worked well as a team, and I have appreciated your contribution and you have made my role very easy!

I would like to say a massive thank you to the Senior Leadership Team of both Senior and Junior Campus, your enthusiasm, guidance and willingness to put your hand up to support the PTA has been absolutely amazing as we worked together for our rangatahi in our school community. The dedication behind the scenes from Karina Toms, Leana Breen and Angela Potter has also been very much appreciated.

Finally, but definitely not least of all, thank you to everyone on the PTA Committee for putting your hand up and being so willing to help out wherever it has been needed. The PTA would not be able to do what it does without each and every one of you.

Thank you to everyone for your mahi during 2022 and I look forward to 2023 being another fabulous year!

Duke of Edinburgh

Congratulations to Olivia Stratford for earning her Silver Duke of Edinburgh Award and Lara Kerr for earning her Bronze Duke of Edinburgh Award. If you would like to become involved in Duke of Edinburgh, please see Ms Smith.

Leadership Programme

Finn Edwards has been selected as one of twelve students nationwide to be part of the 'Hyundai Pinnacle Leadership Programme'. This programme will run for the next three years and involve lots of exciting opportunities aimed at guiding and devolving next generation leaders.

He flies to Auckland to start the induction and meet the team in July.

Congratulations, Finn!

ISSN and Invercargill Activity Centre

ISSN and Invercargill Activity Center are educational spaces that function differently from mainstream education. Students who need further support in order to engage with education and develop their ability to engage in positive social interactions can be referred by James Hargest College and other Invercargill school for short or longer periods of time. They offer much smaller teacher to student ratios and other agency support to develop wrap around support for students who need it. The goal of both ISSN and Activites Centre is to help students reflect on what is not currently working for them and help them to make positive change in order to reintegrate to their school.

Welcome

Student Teachers

We would like to welcome our four student teachers at the Senior Campus this term: *from left* Anton Schroder, Jarred Stanley, Kate MacManus, and Caleb Whelan. We wish you all the best for your posting.

Mayoral Visit

At the end of last term our International Students were welcomed in a formal ceremony at the Invercargill City Council by Mayor, Nobby Clark. A special thank you to City Council members Trish Boyle and Dr Lesley Soper for welcoming our students.

Mr Prateep's Thai Group Tour of Central Otago

In the holidays, Mr Prateep's Thai students enjoyed an exploration of Central Otago.

Homestay Report - Toni and Jaylen Blaze

We have been hosting international students for several years and we love having them.

This year we had Wei Wei, he has been a blast. Jaylen-Blaze loves to scooter so Wei Wei brought his roller blades with him from Thailand and they have spent many evenings racing each other.

Having an International Student has been an eye-opener for us in learning about different cultures. As he is an only child it has been like having a brother around. Jaylen-Blaze says he always feels so excited when a new student arrives, and is sad when they go. We are still in contact with some of our previous students. Wei Wei has cooked Thai meals for us and it's so interesting how they cook differently. The meals have been yummy. Wei Wei's English has been great so communication has been easy and the information booklet you get about the student helps you to plan before they come.

We have normal household rules such as no technology at night, and he helps with chores like dishes. Wei Wei has just blended in as part of the family. I cook my normal meals and make normal school lunches and it all gets eaten. Each student has had a favourite kiwi food like cheese, or chocolate and cookie time cookies are a hit! International students are here to be part of a family so I just treat them like one of my own, going about our normal family activities, going to family gatherings, to the park/beach it's just normal living with an extra child. We are an outdoor family and love giving our students a tour of our community and introducing them to our way of life, and Wei Wei has absorbed it all.

The support from the school is awesome. We can text or email them for anything and because we have opportunities to meet up with other host families we also have their support as well. Our international students have been polite and very thankful they are here. We would keep Wei Wei if we could! He has been amazing!

Te Anau holiday trip

All JHC International Students took to the road during the holidays and headed to Te Anau. For many students as first time visitors to this special part of New Zealand, the day was pretty special. A breezy trip across Lake Te Anau followed by a guided tour of the caves was truly magical.

House Day 2023

History was made in Week 1 of Term 2 with our inaugural James Hargest College full school House Day! We took a gamble and crossed our fingers that we wouldn't be cancelled for a second time due to bad weather. And what a day it was! The vibe of the day was set early in the morning as 1800 students arrived in the house colours of red, blue, green and yellow. The Junior Campus' walk down Layard Street drew toots and waves from passing cars. Excitement was building. A colourful and excitable staff meeting that morning saw all staff displaying their House colours with pride. For the second year in a row a special mention needs to be made to the gaggle of Menzies teachers who arrived in matching screen-printed tees (thanks to Miss Pilley and Miss Taylor) and impressive face paint (courtesy of Mrs Greeff) to match. Another mention goes to our Head Students, House Captains and Peer Support leaders who were invaluable with the set up and help throughout the day. We couldn't have done it without you!

Some notable achievements were Watson winning in the House Chant competition and Thomson cleaning up both the staff and student relays. The other new initiative this year was the inclusion of the food trucks. They were well supported by the students and staff throughout the day and added to the festive atmosphere.

After a very successful day, we are happy to announce that Thomson took the overall win, followed by Hamilton, Watson and Menzies.

Finally a big thank you to Waine Harding, our top notch MC. Waine, you always bring the colour, flair and banter to any event.

South Island Secondary School Mountain Bike Champs

JHC had students competing in the South Island Mountain Biking Champs which was held at Coronet peak. There were multiple events, such as Down Hill, XCountry and Enduro which present different challenges in strong competition.

Zadie Scott came 2nd with a time of 1:09.01 in the Under 17 Downhill Mountain Bike event.

She also came 3rd in the Under 17 Enduro.

Isla Scott, Trinity Duncan, Blake Cooper and Floyd Keach Lowe also participated in tough conditions after some light snow on the Wednesday before competing.

G-Force Cycling

Finn Edwards, Jono Blyth and Hamish Wallace, along with other team members from G-Force completed in the Tour of New Zealand. The race and tour was 500km over 5 days from Arthur’s Pass to the top of the Crown Range. All 3 riders finished in the top 20 of over 100 riders and the team raised \$3400 for child cancer.

Motocross

Congratulations to Bella Earley who competed in the NZ Junior MX Championships held in Invercargill on the 14th - 16th of April. Bella finished 3rd in the 12-16 Junior Woman’s 85cc class. Well done Bella!

Anzac Services

Anzac services were held at the Senior Campus on Wednesday 26th April. We are proud to have been gifted the name of Brigadier James Hargest and today we spoke of his inspirational achievements and sheer tenacity. We reflected on the bravery, loyalty, selflessness and courage of the original ANZAC. Under moody skies, we came together to acknowledge their great sacrifice.

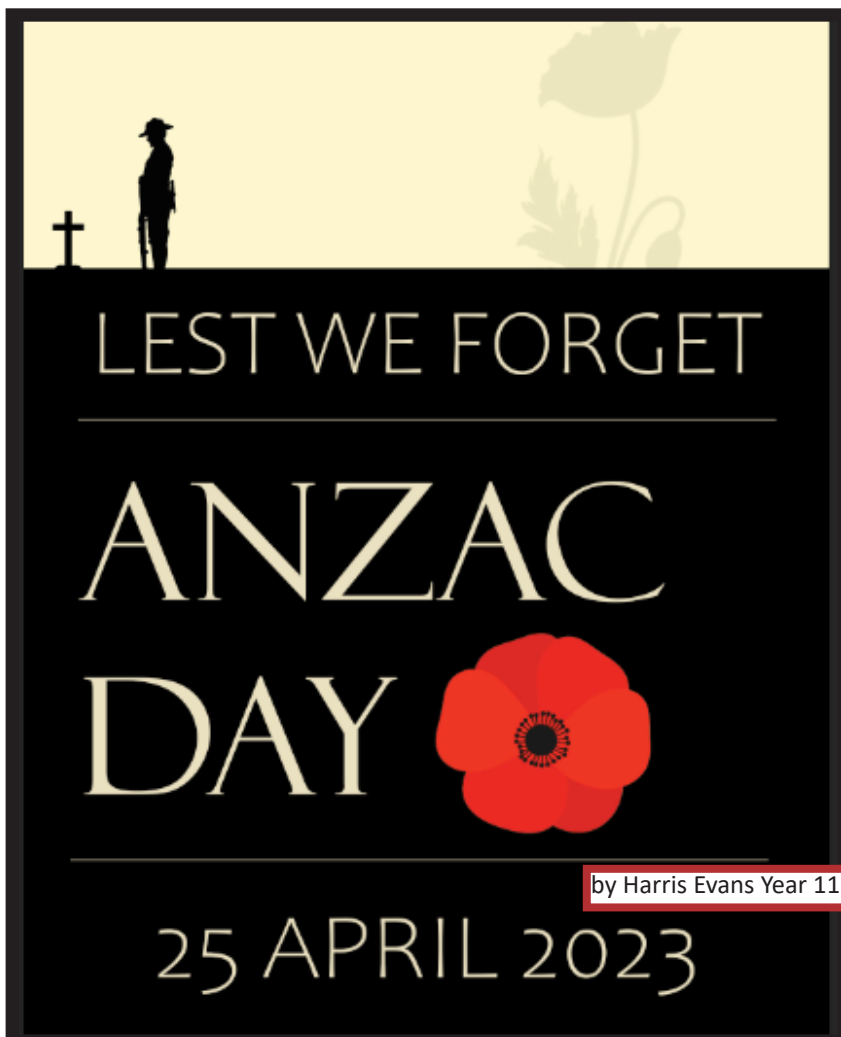

Anzac Day

Our Senior Campus Head Students Sean Bath, Ruby Bath, Ryder Mikkelsen and Neve Waddel, along with our Junior Campus Kaiarataki Hunter Oliver and Allie Harrison represented the JHC community at the Dawn Service. Lest we forget.

PPTA Industrial Action

The PPTA (Post Primary Teachers Association) has given notification to the James Hargest College Board that members intend to take further industrial action during Term 2.

Confirmed action is as follows:

- Continuing the relief ban undertaken during Term 1
- Only supervise, not teach, their normally scheduled classes if students from other classes are added because relief teachers can't be provided.
- Starting a ban on meetings outside of school hours (8:30am-4:30pm)

Further planned action (we receive confirmation 3 days before such action) is as follows:

- A rolling one-day national strike - Tuesday 9 May (for the South Island). JHC will be closed for instruction for all students.
- For 6 weeks PPTA members nationwide are withdrawing their labour for certain year levels on certain days (partial strike). As a large number of our teaching staff are PPTA members we will have to roster year levels home on these days. The rostering home plan is:

Week 2 Thursday 4 May - Year 11

Week 3 Tuesday 9 May - Year 12 (JHC will be closed to all students due to the rolling strike)

Thursday 11 May - Year 13

Week 4 Tuesday 16 May - Year 9

Wednesday 17 May - Year 10

Week 5 Thursday 25 May - Year 11

Week 6 Tuesday 30 May - Year 13

Thursday 1 June - Year 12

Week 7 Tuesday 6 June - Year 10

Thursday 8 June - Year 9

Road Safety

Test yourself with the following Road Safety Week Quiz

The answers are on the last page.

Road Safety Week QUIZ

Everyone has the right to safe and healthy journeys, and we all have a part to play in keeping ourselves and others safe on roads.

The great news is that the solutions to create safe and healthy journeys are known and available to us now. They include having safe spaces for people to walk and cycle, safety technology in our vehicles and safe speed limits on our roads too. They can also help to ensure that vehicles on our roads don't pollute the air.

There are lots of people working to make our roads safer, or who provide support to people following a crash. For Road Safety Week 2023, we're recognising all these Road Safety Heroes. They include emergency services personnel, road safety professionals, transport planners and engineers, road workers, school road patrollers, community campaigners and many more.

Take part in our Road Safety Week quiz and find out how much you know about road safety.

1. How many people died on roads in New Zealand in 2022?

- A. 378
- B. 253
- C. 352

- A. 2025
- B. 2027
- C. 2030
- D. 2035

3. Which country first developed the Safe System approach to road safety as part of its Vision Zero strategy?

- A. Canada
- B. Sweden
- C. New Zealand
- D. Germany

4. A road safety hero is anyone who contributes to ensuring everyone can get to where they're going safely, no matter how they travel, or provides support to people following a crash.

- True
- False

5. The World Health Organization recommends what speed limit as the most appropriate in places where people live, work and play?

- A. 30km/h
- B. 40km/h
- C. 50km/h
- D. 60km/h

6. What do the following road signs mean?

A.

B.

C.

D.

7. There is a zero-alcohol limit if you are under 20?

- True
- False

8. Wearing a seat belt reduced the risk of death in a crash by...

- A. A fifth
- B. A quarter
- C. A third
- D. Half

9. At what impact speed does the risk of death greatly increase for people who cycle, walk, ride a motorbike – or travel outside of the protection of a vehicle?

- A. 30km/h
- B. 40km/h
- C. 50km/h
- D. 60km/h

10. Which percentage of serious injury crashes are caused by deliberate violations and risk-taking behaviour?

- A. 6%
- B. 12%
- C. 22%
- D. 29%

Leo Leadership Course

On the 16th of April, a large group of about 29 students from all over the lower South Island set off for a 6 day camp at Borland Lodge, splitting into two groups (orange and blue). Once arrived at Borland Lodge the orange group started to pack for their three day tramp from Borland Lodge to Green Lake on day 1. Then from Green Lake to Lake Monowai on day 2. Finally continuing back to Borland Lodge day 3 and finishing the day off with kayaking. Whilst orange did this, the blue group were settling into Borland Lodge and completing multiple activities over the next 3 days such as, caving, canyoning, rock climbing, abseiling and kayaking. On Tuesday both the blue and orange group spent the night at Borland Lodge. On this night both groups played ultimate archery and gathered together to socialise with the other group and talk about their experiences. As the evening came to a close we had our first debrief. These were a massive part of the course as it allowed us to look back on our tramp or activities and how we treated each other. As the week went on we would continue to have these debriefs. Once Wednesday came around the blue group set off on their three day tramp, which was different to the oranges. They went up the Mt Burn saddle, and did a lot of bush bashing to Green Lake. The next day

they hiked and then camped close to Borland Bivvy, and came out back to the lodge on Friday morning. During this it was the orange groups turn to experience caving, canyoning, rock climbing and abseiling. This was such an amazing and thrilling experience where every activity was a mixture of fun, scary and exciting. These activities were designed to push most out of their comfort zone but that didn't worry any of us. Majority of the students started off as complete strangers and left as close friends and strong leaders. There were so many different skills and techniques that we could take away from this. The confidence to lead a group of people through caves or just being able to respect and follow the people we designated our leaders. We highly recommend this leadership course to anyone aged 16-19 years old who is willing to try new things and boost their leadership skills.

Massive thank you to the Lions Club, Adventure Southland and Borland Lodge for this amazing experience.

Head over Heels

a new musical

Major Production

Rehearsals are officially underway for our 2023 Major Production, Head Over Heels - High School Edition.

This is a bold new musical comedy that is based on Philip Sidney's The Countess of Pembroke's Arcadia. It follows the escapades of a royal family on an outrageous journey to save their beloved kingdom from extinction—only to discover the key to their realm's survival lies within each of their own hearts.

This laugh-out-loud love story is set to the music of the iconic 1980's all-female rock band The Go-Go's, including the hit songs, "We Got the Beat," "Our Lips Are Sealed," "Vacation," and Belinda Carlisle's "Heaven is a Place on Earth" and "Mad About You." Keep an eye out for when tickets are on sale from the Senior Campus office closer to the performances. We cannot wait to share this with our Hēmi Hākena whānau in June (19th - 22nd)! We will be the first school ever in NZ to put on this show which is very exciting!
